

Additional Skill Acquisition Programme (ASAP) Cell

<u>Report 2022-23</u>

The programmes of the ASAP CELL during the academic year 2022-23 started by conducting a webinar for the students in association with *Internal quality Assurance cell* on the topic "*Paradigm shift in the nature of jobs in the age of disruptive technology*" on 20th August 2022 at 10 am, as a part 75th Independence day celebration. *Mr. Binish George*, DPM, Alappuzha, ASAP Kerala was the resource person. A total of 95 students and 4 teachers participated for the webinar.

And then with the constant effort of *ASAP Cell*, our college officially got the permission to start *ASAP Training Centre* in the month of November. In this programme, a fitness trainer, who is also known as a gym trainer, gym coach or fitness coach, is involved in the physical training of others through various fitness activities. For this, two expert trainers Ms. Arya S Kumar and Mr. Biyas A B (both are from Dept. of Multi Sports and Fitness Training), who have successfully completed the TOT (Training of Trainee) program were available in our college.

In the month of December, ASAP Cell, MES College Marampally signed a MoU with ASAP, Government of Kerala for providing *Basic Proficiency Course in English – Add-on Course*, for 163 students from four departments (BSc. Psychology, BCA, BSc. Chemistry and BA Arabic). This course is intended to equip learners with soft skills that are vital to becoming successful in the modern work environment. The course duration is 100 hours which will be completed in the next academic year.
