

## REPORT OF IIC ACTIVITIES(2020-2021)

Ministry of Human Resource Development (MHRD), Govt. of India has established 'MHRD's Innovation Cell (MIC)' to systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs). The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are informative years.

MIC has envisioned encouraging creation of 'Institution's Innovation Council (IICs)' across selected HEIs. A network of these IICs will be established to promote innovation in the Institution through multitudinous modes leading to an innovation promotion ecosystem in the campuses.

### Major focus of IIC

- To create a vibrant local innovation ecosystem.
- Start-up supporting Mechanism in HEIs.
- Prepare institute for Atal Ranking of Institutions on Innovation Achievements Framework.
- Establish Function Ecosystem for Scouting Ideas and Pre-incubation of Ideas.
- Develop better Cognitive Ability for Technology Students.

# 1. Webinar on 'Deep Learning Technique for human intention Prediction'

A webinar on 'Deep Learning Technique for human intention Prediction' was conducted by Department of Electronics in association with Institution's innovation Council on 2<sup>nd</sup> May 2020.

The programme started with a silent prayer. Dr. Jasmine P M, Head, Electronics welcomed the gathering. Dr. A Biju, Principal delivered the Presidential address. Mr. Alwin Poullose handled the session. He is currently pursuing the Ph.D. degree with the School of Electronics Engineering, Kyungpook National University, Daegu, South Korea. His research interests include indoor localization, activity recognition, and human behavior prediction.

This session provided a meaningful overview of how to get started with Machine Learning on prediction application. About 80 participants attended the webinar.

## Approaches

- Vision based:
  - ✓ Cameras mounted in the environment
  - ✗ Privacy issues
  - ✗ High cost and complexity
- Radio frequency based:
  - ✓ Device-free passive sensing
  - ✗ Location dependence (i.e., indoor)
  - ✗ Environmental interference
- Wearable sensor based:
  - ✓ Popularity (smartphones, watches,...)
  - ✓ Location independence
  - ✓ Unobtrusiveness
  - ✓ Low installation cost

## 2.REPORT OF THE WEBINAR ON INTRODUCTION TO MACHINE LEARNING

The Department of Electronics in association with IIC of our college conducted a Webinar on Introduction to Machine Learning on 23 June 2020 at 10.00am. the Department Head, Dr. Jasmine P M welcomed the gathering. Principal Dr. Ajims P Mohammed inaugurated the webinar and Ms. Roshni Alex, Coordinator of the the programme introduced the resource person. Ms. Shernas Mol A A, Research Schoalar at Department of Computer Applications, Cochin University of Science and Technology was the resource person. She elucidated about Machine Learning , types, different techniques, optimization techniques,etc.. Thirty-five participants out of which 26 final year PG students attended the webinar and Ms. Chika K, Coordinator of the programme delivered the vote of thanks.

### 3.Mobile Robots For Industrial Applications

Addressing the ever evolving industry, the BVoc Industrial Instrumentation and Automation the dept. organized a national level webinar on Mobile Robots and Industrial Applications. Led by Mr. Vishnukumar V, Consultant, Embedded system development and conserve technologies on July 1st 2020. The webinar was addressed by Principal Dr. Ajims P Mohammed and Vice Principal Dr. Mazur Ali P P, An overall 100 attendees were present.

## 4. Webinar on “Starting the Startups”

A One hour webinar on “Starting the Startups” has been conducted on 09th July 2020, at MES College Marampally, in order to make awareness about startups. This webinar has been Conducted by Department of Computer Applications in association with Information innovative council (IIC).

Participant’s Profile:

A total of 120 delegates from various parts of India, were participated. Among the participants 76 were Students and 23 were Faculty Members.

Description about the Program:

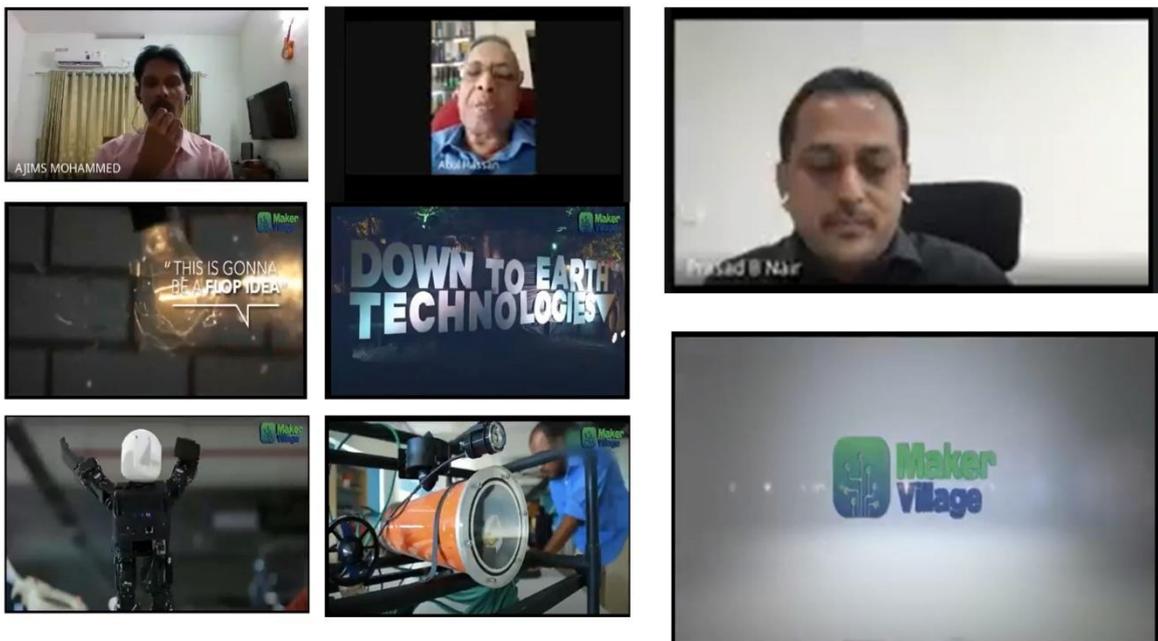

On the inaugural function, Dr. Murugan R, Head, Department of Computer Applications welcomes the participants and Dr Ajims P Mohammed, Pricipal, MES College Marampally inaugurated the webinar. Adv. Abul Hassan, Secretary and correspondent of Marampally also participated in the webinar. Lt Ibrahim Salim M, Coordinator of this webinar introduced the chief and guest Mr, Prasad Balakrishnan Nair – CEO Maker Village to the participants.

Mr. Prasad Balakrishnan Nair in his chief guest address, he given a brief idea about the startups and also emphasized the role of students in various startups and advise them to come forward to become an entrepreneur. Also he mentioned how future of startups in this pandemic situations. The entire session was an interactive session and the speakers answered many queries raised by the participants.

Lt Ibrahim Salim M Proposed the Vote Of Thanks.

Feedback:

All the Participant expressed their gratitude to staff of department of computer Applications a webinar on “Starting the Startups”.

## 5.React Native-Hybrid Mobile App Development

The department of **Software Development and System Administration** organized a National Webinar on **React Native-Hybrid Mobile App Development'** on **28<sup>th</sup> July 2020**.

The programme began at 10:00AM. **Mrs .Arya M Nair**(Assistant Professor, SDSA & Programme Coordinator) formally welcomed all the participants.

**Mrs. Ashika K A** (Head of department,SDSA) Addressed the resource person and **Dr.Ajims P Muhammed**(Principal) gave a talk on webinar. Mr. Georgekutty George was the Resource person of the programme. He is the Founder & CEO of Lookingsoft Technologies and Mentor of Reacthub

The session dealt with basic levels of mobile application development.Participants got a strong base in the topic. The programme was wound up at 11:20AM with vote of thanks by Ms. Arya M Nair, Assistant Professor, SDSA.

The programme was **coordinated by Arya M Nair and Muhammed Sajad** . It was a successful webinar. There were 103 participants in the webinar.An online feedback form was issued to the participants.We received very good feedback from them. We issued e-Certificate to all the participants of the webinar.

## 6.SONG OF THE LOOM

As part of the National Handloom Day Celebrations, the department of Fashion Design & Management in association with Institution Innovation Council conducted an online handloom exhibition from 07/08/2020 -14/08/2020. The works of 7 different weaver/weaver's society were exhibited through the department Instagram page 'La Vetrina'. The details of the works exhibited in the exhibition are as follows:

- 1.Sarees and stoles woven by traditional Kutchi weaver **Mr.Lalji Vankar** from Bhuj, Gujarat
2. Sarees, Yardage, stoles, Dupattas, Cushion Covers, and sling bags in Ikkat brand '**Transikkat**', Telangana.
- 3.Swatches of handloom yardage woven by weavers of **Ushodhaya Women Weaves & Crafts**, Andhra Pradesh
- 4.Stoles and Yardage woven by young Khadi weaver **Mr.Gori Shanker** from Bikaner, Rajasthan
5. Kutchi Stoles and Dupattas woven by traditional Bhujodi weaver **Mr.Vijay Chorasiya** from Bhuj,Gujarat
- 6.Maheshwaris Sarees woven by traditional Maheshwari weaver **Mr.Nadeem Yakub Ansari** from Maheshwar, Madhya Pradesh
7. Chanderi Sarees woven by traditional Chanderi weaver **Mr. Prem Koli** from Chanderi, Madhya Pradesh.

Ms. Geethu Merin Antony coordinated this event.

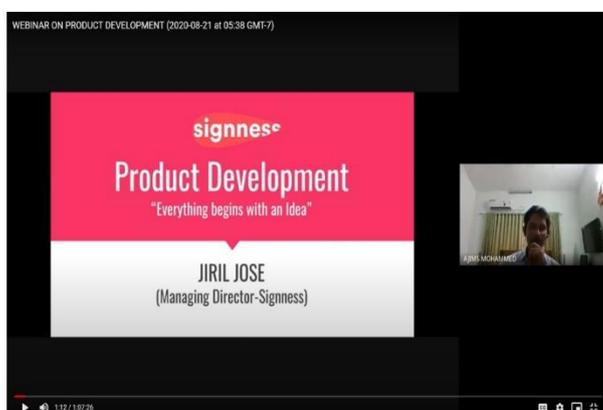

## 7.Product Development

The department of B Voc Software Development and System Administration of M E S College Marampally has conducted Webinar on the Topic “Product Development” on 21<sup>st</sup> August 2020 using Google Meet as a part of Webinar Series in order to propagate students’ ideas and skills in product development.

The program started at 6.00 p.m. On the inaugural function, Mr. Jiril Jose, Managing Director of Signness Technologies and Founder of Signness Campus Community participated as Chief Guest. He spoke on the topic Product Development.

Mrs. Ashika K. A, Asst. Professor and Head of B Voc Software Development and System Administration welcomed the gathering. Dr. Ajims P Mohammed, Principal presided over the function.

At the end, Mr. Muhammed Sajad K. E, Program Co-ordinator, Asst. Professor, proposed the vote of thanks. All the students were actively participated in the program.

## 8.Webinar - “Blaze the Trails”

The Department of Computer Applications, MES College Marampally here in collaboration with the Department of Computer Science, MES Kalladi college, Mannarkad conducted a webinar named “Blaze the Trails” . Mr. Joy Sebastian, CEO and Co Founder of Techgentsia Software solutions and winner of the government’s ‘Innovation Challenge for Development of Video Conferencing Solution’ was the key note speaker at the event. In his talk he mainly focused on his Entrepreneurial Journey, Core Features of the Video Conferencing solution, Campus Hiring Plans, Campus Connect initiatives, Community projects, Start Ups etc. The webinar was conducted in the award-winning video conference platform “VConsole” itself. The webinar was inaugurated by Dr, Ajims P Mohammed, Principal MES College Marampally and Dr. Murugan R delivered the welcome note.Dr.T K Jaleel, Principal, MES Kalladi College,Mannarkad, Dr, Manzur Ali P P, Vice Principal and IQAC Coordinator, MES College Marampally a gave felicitations. Lt Ibrahim Salim M Assistant Professor, Department of computer Appictions, MES College Marampally was the coordinator of the webinar and he introduced the chief guest to the participants.Over 180 students took part in our webinar and the meeting concluded with the vote of thanks by Dr Preetha Rajagopal M.

## **9.WEBINAR SERIES ON 'FOUNDATION TO BUILD AND SCALE RESEARCH THROUGH LITERATURE REVIEW'**

The PG students of the Department of Electronics under the auspice of Electronics Research Forum and in association with IIC, MES College Marampally conducted a webinar series on 'Foundation to Build and Scale Research Through Literature Review' on 8,9,11,12 & 14 September 2020. The key areas of the webinar series were Internet of Things, Artificial Intelligence and Machine Learning, Robotics, Wireless Communication and Embedded Systems. Student coordinator Ms. Lakshmi T S welcomed all to the programme. The Programme was inaugurated by Dr. Ajims P Mohammed, Principal, MES College Marampally and Dr. Jasmine P M, Head, Department of Electronics and Ms. Shareena E M, Coordinator of IIC also addressed the gathering. Dr. Sabu M K, Head, Department of Computer Applications, CUSAT and Dr. Nishamol M S, Head, Department of Electronics, Government College Chittur, Palakkadu were the guests of honour for day I. They shared their experiences and emerging trends in the areas of research. Session 1 : Embedded System and IoT was handles by Ms. A. Razeena, Ms. Amala Antony and Mr. Krishnamohan. Session 2 : Embedded System in Industrial Automation with IoT was handled by Mr. Sirajulhagh, Ms. Helna and Ms. Sangeetha. Ms. Swetha George proposed the vote of thanks.

Day II started with the welcome address by Ms. Razeena A. and Dr. Shemi P M, Assistant Professor, Department of Electronics was the guest of honour. Session 1: Robotics was handled by Ms. Anu K Alias, Ms. Anjaly Varghese and Ms. Anju John. Session 2 : Embedded System in Automobile was handled by Ms. Afrin Faizal, Ms. Amruthasree and Mr. Desil Simon. Ms. Anagha P B delivered the vote of thanks.

Day III began with the welcome address by Ms. Helna Sebastian and Dr. Raphika P M, Associate Professor, Department of Electronics was the guest of honour. Session 1 : Embedded System for Waste Management with IoT was handled by Mr. Aravind V B, Ms. Lakshmi T S and Ms. Hasna Rafeek. Session 2: Wireless Communication was handled by Ms. Swetha, Ms. Anagha and Ms. Sreelakshmi,

Day IV started with the welcome address by Mr. Krishnamohan and Dr. Jasmine P M, Head, Department of Electronics was the guest of honour. Session 1 : IoT in Medical and Healthcare was handled by Ms. Jaseela, Ms. Sreya T S and Mr. Vineesh P B. Session 2 : Internet of Things was handled by Ms. Liyana Denna and Ms. Gopika M J. Ms. Amruthasree delivered the vote of thanks.

Day V started with the welcome address by Ms. Anu K Alias. Mr. Sam Kollannore U, Assistant Professor, Department of Electronics was the guest of honour. Session 1 : AI and Machine Learning was handled by Ms. Nithasha, Ms. Muneera and Ms. Thasni. Ms. Shareena E M, Ms. Roshni Alex and Ms. Chika K, Mentors of the programme gave feedback on the webinar. Ms. Afrin Faizal delivered the vote of thanks.

Students and staff from MES College Erumely and Ilahia College of Arts and Science were also participated in the programme.

**About the Department**

The Department of Electronics of MES College Marampally was established in 1995 and provides UG and PG programs in Electronics with our state-of-the-art facilities. The department provides the students in their core areas and provides them with foundation and technical skills. The PG programme started in the year 2002, offers various activities to enhance the overall development of students along with the academics. Students engage actively in many extracurricular programs, technical extension activities, research activities and industrial visits. Every year many of our students hold positions in the top-ten of the university rank list.

**About the organizers**

Under the auspice of Electronics Research Forum, the PC students are guided to take part in research related activities like IEEE paper presentations, literature reviews and paper presentations in national and international conferences. The Institutions Innovation Council of MES College Marampally systematically foster the culture of innovation amongst all students of our College. It also encourages, inspires and nurtures young students by supporting them to work with new ideas and transform them into products during their course and thereby leading to an innovation promotion ecosystem in the campus.

**Objective of the webinar**

To inculcate interest in the field of research the PG students of the department have been directed to conduct a literature survey prior to their project in the first semester. They will present the content of their literature survey on broad areas of Electronics.

**Inauguration**  
**Dr. Ajims P. Muhammed**  
 Principal, MES College Marampally

Guest of honour

Day 1  
 08-09-2020

Dr. Sabu M K  
 Head, Department of Computer Applications, CUSAT  
 Govt. College Chittrur, Patakkadu

Dr. NISHAMOL M S  
 Head, Department of Electronics, Applications, CUSAT  
 Govt. College Chittrur, Patakkadu

Session 1 : Embedded System and IoT  
 Session 2 : Embedded System in Industrial Automation with IoT

Day 2  
 09-09-2020

Guest of honour  
**Dr. Shemi P M**,  
 Assistant Professor, Department of Electronics, MES College Marampally

Session 1 : Robotics  
 Session 2 : Embedded System in Automobile

Day 3  
 10-09-2020

Guest of honour  
**Dr. Raphika P M**,  
 Associate Professor, Department of Electronics, MES College Marampally

Session 1 : Embedded System for Waste Management with IoT  
 Session 2 : Wireless Communication

Day 4  
 11-09-2020

Guest of honour  
**Dr. Jassine P M**,  
 Head, Department of Electronics, MES College Marampally

Session 1 : IoT in Medical and Healthcare  
 Session 2 : Internet of Things

Day 5  
 14-09-2020

Guest of honour  
**Mr. Sam Kollannore U**,  
 Assistant Professor, Department of Electronics, MES College Marampally

Session 1 : AI and Machine Learning

Sessions are conducted by M.Sc. Electronics students of MES College marampally

## 10. International Webinar- The Role Of Translation In The Era Of Globalization

The department of Arabic organized an international webinar on the topic **The Role of Translation in the Era of Globalization** on 09/September/2020. Mr. Eassa Ali Mohammed Ali (Faculty member, Department of translation, Faculty of languages, Sana'a University Yemen) was the resource person of the programme. More than 70 persons including students, translators and teachers participated in the programme. Sharafudheen C.A organized the Seminar

Our Principal Dr. Ajims P Muhammed inaugurated the webinar. Dr. Mansoor Ali P.P, our Vice Principal delivered the felicitation. Mr. Sharafudheen C.A, Head Dept. of Arabic welcomed the Participants. Mrs. Fathima K.A proposed vote of thanks. The mode of presentation was very attractive, interesting and useful.

## 16. "Talk with CEO"

In association with Institution Innovation council (IIC) and Innovation & Entrepreneurship Development Centre(IEDC) Department of vocational studies, Logistics Management, MES College, Marampally organised an Entrepreneurial talk with **Mr.Saifudheen, CEO of Saif Associates** on 07th October 2020. Dr Ajims P Muhammad, Principal inaugurated the session. Mrs.Jishna T Hassan, Assistant Professor coordinated the session

An entrepreneur is an individual who creates a new business, bearing most of the risks and enjoying most of the rewards. Most of the successful entrepreneurs that have started with nothing and still hit dizzy heights of business success. " Talk with CEO"- session enables the students who are in need of inspiration to take up risk in their life.

Safe Associates Established by its proprietor Mr.V.M Saifuddin in 2010. After the short term service in the Navy he started the business providing security guard services with only 2 guards. After that business developed slowly and widened the business into branches and started new concepts like Facility Management, Distributors etc. Presently they have a strong team with 230 clients and over 1600 staff. Presently they are operating as Safe Group of companies which includes providing security guards, Facility Management, Distributors and upcoming project Safe T retail Pvt.Ltd. They also own a restaurant in Chennai named Vivekanadha.Safe Group have a strong and efficient employee side and have around 230 happy customers over many years.

## 28. Webinar on 'Right to information act and consumer protection act'

A webinar on '**Right to information act and consumer protection act**' was organized by physics department, M.E.S College Marampally on 4th November 2020 from 11 a.m to 12:30 p.m, through Google meet. The speaker of the webinar was Mr Prince Thekkan, the state president of consumer protection council, Eranakulam. The purpose of this event was to create an awareness regarding the rights of a consumer and rights to information. It was a very well planned webinar and many teachers and students actively participated in this event. Ms Princy.Y.Mathew, the programme coordinator, delivered the welcome address.

Mr. Prince Thekkan, the speaker of the day, gave an informative session on the importance of awareness among consumers regarding their rights. In today's world, consumers are often ill-treated by the corporates and most often, consumers suffer injustice. So, as a consumer, knowledge about consumer's rights and law points are vital. It was a great initiative by the Physics department, M.E.S College Marampally to organize such an important session.

A certificate of appreciation was issued after the event, to all participants. As the end of the event was approaching, there was a sense of satisfaction on the faces of the participants, as they gained ample knowledge about consumer rights as well as rights to information. Mr Prince Thekkan also cleared the doubts raised by the participants.

Angel Jose, one of the volunteers, expressed the feedback of the session. The session was concluded by Amriya abdul rahman by expressing vote of thanks to the speaker.

## 30. Science Day Celebration

“Science of today is the technology of tomorrow”

Every year on 10 November, people celebrate World Science Day for Peace and Development to highlight the important role of science in society and to remember the great scientists and philosophers and their innovative contribution to the world. By celebrating this day is to convey the importance of science and modern technology to the coming generation. The current year, the celebrations was coordinated by the Departments of Electronics and the Department of Industrial Instrumentation and

Automation in association with Institution Innovation Cell (IIC) of MES College Marampally.

On behalf of the celebration we have conducted an Idea presentation completion on "Future Technology" and Poster Making competition of theme "Technology and Life" through online. The entries were invited via social media from 5th November 2020 to 9th November 2020. Students from various institutions actively participated in both competitions.

**MES COLLEGE**  
MARAMPALLY

**INTERNATIONAL SCIENCE DAY COMPETITIONS**

**About Us**  
**Winners are a waiting with Exiting Prizes**

**Points to remember**

- ✓ Create a video less than 5 minute length, explaining your idea.
- ✓ Explanation of your idea can be in English or in Malayalam.
- ✓ Posters can be Digital or the photograph of artworks in paper, wall, cloth, boards etc.
- ✓ Each candidate can upload three independent ideas or poster. Use "CLICK HERE TO REGISTER" for uploading your idea/poster.

**IDEA PRESENTATION**  
An Idea Presentation Competition on the topic **FUTURE TECHNOLOGY**. This competition is a presentation demonstrating your idea. Entrants are not required to create a physical product, campaign, or device, etc... just present.

**POSTER DESIGNING**  
POSTER DESIGN COMPETITION, Artists, designers, students from colleges are invited to design a poster about **"TECHNOLOGY AND LIFE"**.

**Dr. JASMINE P M** HOD- ELECTRONICS  
**Dr. RAPHIKA P M** PROGRAM COORDINATOR

**AMAL SAROJ** HOD- IIA  
**AJITH RAJAN** PROGRAM COORDINATOR

**Dr MURUGAN R** PRESIDENT IIC  
**AJIMSHA MAIDEEN** COORDINATOR IIC

**Dr AJIMS P MUHAMMED** PRINCIPAL  
**Dr UMESH B T** NODAL OFFICER IIC

On 10th November 2020, We arranged prize distribution function along with a webinar on "**Transform Ideas into Reality**" at 2.00 PM. The resource person of the program was Prof. B M Mustafa, Retired Professor and Head of the Department, Physics, Government College Chittur. Students from both the departments actively participated in the session. It was indeed a very knowledgeable session in which the main motive was to spread a message about the importance of Science used in daily life.

The program was conducted through the online platform Zoom. The session began with prayer song by Sreelekshmi P S of S3 MSc. Electronics. The welcome address was given by Dr. Jasmine P M, Head of the Department of Electronics. Principal, Dr. Ajims P Mohammed delivered presidential address for the program Advocate Abul Hassan, Secretary, College Management Committee, and Vice Principal, Dr. Manzuruli P P delivered felicitation for the programme. Mr. Ajith Rajan, IIC

## Winners of the Programme

Idea Presentation

Theme: Future Technology

First Prize: Sidharth R Nair, BSc Electronics, MES College Marampally

Idea: Glasses for visually challenged

Second Prize: Afrin Faizal, MSc Electronics, MES College Marampally

Idea: Green Gym

Poster Making

Theme: Technology for Life

First Prize: Muhammed Banish, MES College Ponnanni

Rashidha K M,SNM College ,Maliankara

Smt. Shareena E M, IIC Coordinator was the competition analyzer and judge of the program. The prize declaration was done by Advocate Abul Hassan, Secretary, College Management Committee, followed by the Vote of thanks given by Mr. Amal Saroj, Department head, B.Voc Industrial Instrumentation and Automation. The program was coordinated by Dr. Raphikamol, Assistant Professor, Electronics department and Ajith Rajan, Assistant professor, Department of B.Voc Industrial Instrumentation and Automation.

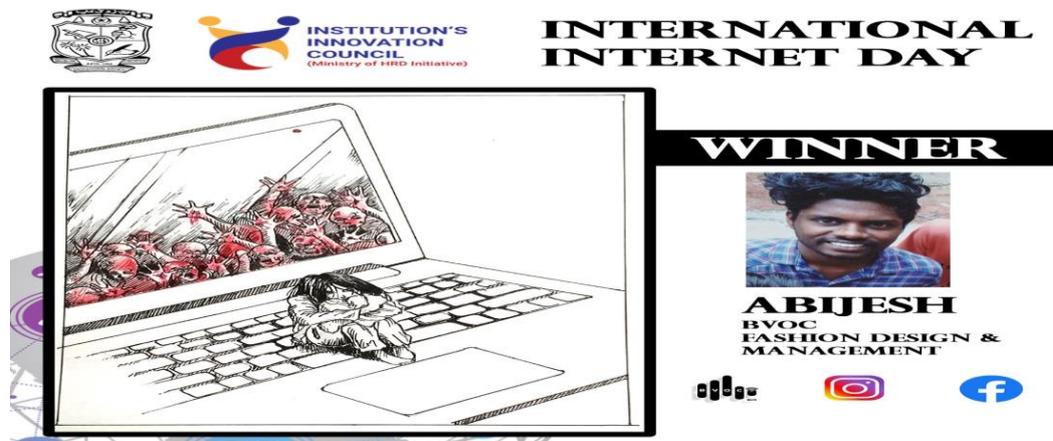

### 31.International Internet Day

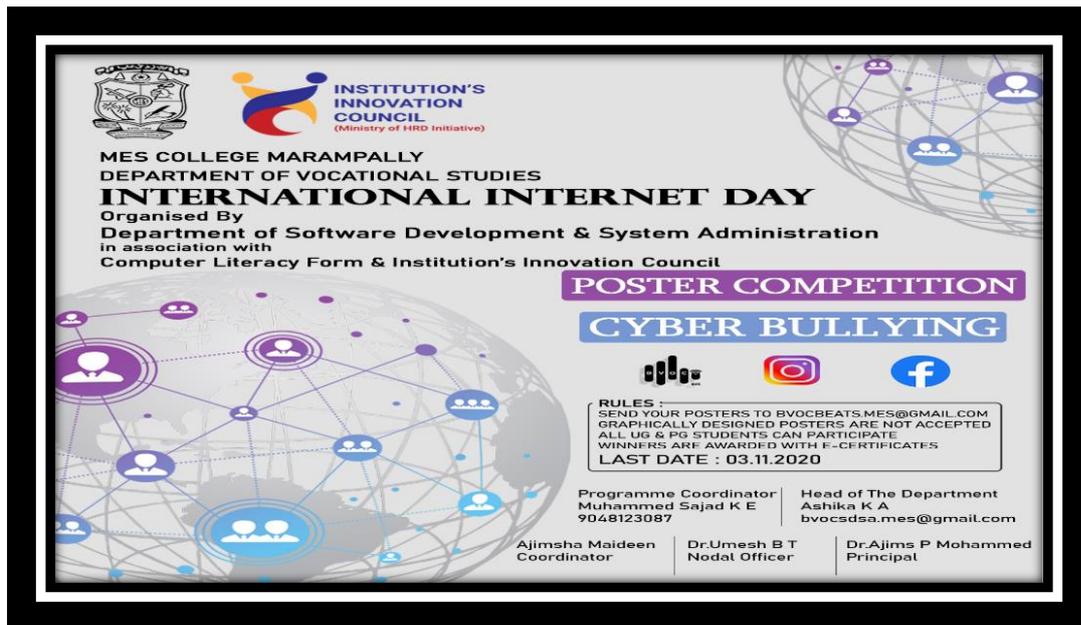

Date: 10<sup>th</sup> November 2020

The department of B Voc Software Development and System Administration of M E S College Marampally in association with Computer Literacy Forum and Institution’s Innovation Council (IIC) has been conducted Poster Competition on 27<sup>th</sup> October – 3<sup>rd</sup> November 2020 as a part of International Internet Day [October 29. The program was held through the social media platform “BVOC BEATS”.

Winner	Master Abhijesh M , BVOC FDM
Judge	Mr. Praful Jose Asst. Professor, DIST Angamaly
Programme Coordinator(s)	Muhammed Sajad K E, Asst. Professor, BVOC SDSA Coordinator, Institution’s Innovation Council (IIC) Ashika K A, Head, BVOC SDSA Coordinator, Computer Literacy Forum

All the participants were actively participated in the program and proved to be a grant success. Winner is awarded with e certificate.

## 32.Webinar : “International webinar on Future Employment in Overseas”

Department of Animation & Graphic Design, In Association with IIC, MES College, Marampally organised a webinar on “**International webinar on Future Employment in Overseas**” for the students of BVoc Animation & Graphic Design on 11th November 2020. The Resource person was **Mr. Nina Sahil**(Alumni 2016 Batch). Webinar coordinator Ms. Minu Muhammed welcomed the gathering. Dr Ajims P Mohammad, Principal felicitated the session.

It was very interactive and interesting. Students were enriched with the different aspects of Employment opportunities explained in the session and got many ideas to upgrade their production skills. Around 62 students attended the webinar.

### **37. Intellectual Property Rights**

A webinar on Intellectual Property Rights organized by Department of English, MES College, Marampally was successfully conducted on 8<sup>th</sup> December 2020(Tuesday). The topic was titled “Introduction to Intellectual Property Rights” delivered by Arathi Ashok, Asst. Professor, School of Legal Studies, CUSAT. The programme was commenced sharply at 10:30 a.m. and was hosted by Geethu T Mohan, Faculty of the Dept. The meeting was further addressed by our Principal Dr. Ajims P. Muhammed. Our Head of the Department,

Dr. Bindu Jamal welcomed the guests and Ms, Amina Rahana M. Ashraf, Asst. Professor, introduced the chief guest, Mrs. Arathi Ashok.

The guest gave a brief idea about IPA. Since the webinar was interdisciplinary, it was equally new and informative to all. Being literature aspirants the webinar helped to know more about the copyright issues. The laws and rules pertaining to it were briefly explained by the guest.

The meeting was then followed by an interesting interactive session which was very successful in clearing the doubts of the students.

The session winded up by 11:55am with a vote of thanks delivered by Henza Hashim of 1<sup>st</sup> year BA English. The session was really interesting and informative which will definitely help the students in shaping their future endeavours.

## **48.Radar in ADAS**

Department of Electronics organized a webinar on the topic "Radar In ADAS" on 14 January 2021. The programme began at 10.00 am by invoking the blessings of God Almighty. Dr. Jasmine P.M., Head, Department of Electronics welcomed the gathering. Dr. Ajims P. Mohammed Principal, delivered the presidential address. Dr. Manzur Ali P.P., Vice Principal and IQAC Coordinator offered the felicitations. 95 students participated in the webinar.

The resource person of the webinar was Dr. Sajitha V.R., Senior technical lead at Mercedes Benz Research and Development India, Bangalore. She gave a brief outline about various Radars and sensors used in Advanced driving assistance system. Her class was highly inspirational and motivational. She focussed on the various opportunities the students

can get in their career and studies in future .The webinar came to an end by 12.00 pm.The programme was coordinated by Ms. Bhavya Menon.

### 50.Orientation On National Innovation And Start Up Policy

Orientation session on National innovation and start up policy was organized by Institution's Innovation Council in association with Department of Electronics on 21 January 2021 at 10.00 am. The session began with a silent prayer. NISP Co-ordinator Lt. Ibrahim Salim M. welcomed the gathering. Dr. Ajims P. Muhammed, Principal of the college presided over the function. Vice principal and IQAC co-ordinator of the college, Dr. Manzur Ali P.P. offered the felicitations.

The resource person of the programme was Dr. Pooja Rawat, Innovation Officer, Ministry of Education's Innovation Cell. She is currently taking care of Yukti2.0 initiative and 'Drug Discovery Hackathon' initiative launched by the Ministry in 2020. She is also a registered patent agent, certified by Ministry of Commerce and Industry, Government of India and has good understanding of patent laws and patent prosecution.

Dr Pooja gave a brief description on norms for faculty and students driven innovations and start-ups and also about cubation and incubation support systems. She also discussed about the vision of having academic break for a semester or year to work on their start ups. IP ownership rights for technologies developed HEI, pedagogy and learning interventions for entrepreneurship development were also discussed. Dr. Jasmine P.M. Head, Department of Electronics proposed the vote of thanks. The programme was co-ordinated by Bhavya Menon. The total number of participants were 100. The orientation programme came to an end by 11.30 am.

## 54. Workshop on VHDL

'Workshop on VHDL' was conducted for the S4 MSc. Electronics students on 27<sup>th</sup> February 2021. Mr. Mujeeb P Y, Design Manager, Aspire Technologies, Palarivattom was the resource person. Dr. Jasmine P M, Head, Department of Electronics Delivered the welcome address. This workshop provided students with an overview of the VHDL language and its use in logic design. By the end of the workshop, they understood the basic parts of a VHDL model and how each is used and also gain an understanding of the basic VHDL constructs used in both the synthesis and simulation environments. They are able to build complete logic structures that can be synthesized into programmable logic device hardware. Lastly, they gained the understanding required to connect entire models together to create hierarchical designs.

## 55. Mobile Tower and Mobile Phone Radiations: Biological Effects and Solutions'

The Department of Electronics in association with IIC & IEDC of MES College Marampally hosted a webinar on ' Mobile Tower and Mobile Phone Radiations: Biological Effects and Solutions' on 2<sup>nd</sup> March 2021 at 10.00 pm in Google platform. The programme was conducted as part of the science day celebrations. Ms. Afrin Faizal welcomed the gathering and Dr. Jasmine P M, Head, Department of Electronics introduced the resource person, Dr. Premlal P D, Associate Professor, Department of Electronics, NSS College Rajakumary. Dr. Premlal elucidated the topic very interestingly to its minute details based on the studies conducted by his team in selected districts of Kerala state. Ninety participants attended the webinar which included nine staff and eighty students. The programme concluded with Ms. Amrutha Jinesh's vote of thanks. The webinar was coordinated by Ms. Roshni Alex.

## 57. Intercollegiate Project Presentation Competition

**Event:** Intercollegiate Project Presentation Competition

**Date:** 17th March 2021

**Venue:** Google Meet

**Organized By:** Dept of Computer Application in association with Computer Society of India & Institution's Innovation Council

Intercollegiate Project Presentation Competition was organized by Department of Computer Applications of MES College Maramapally, Aluva, Kerala on 17<sup>th</sup> March 2021. It was organized in association with Computer Society of India and Institution's Innovation Council of college.

The competition is organized with the objective is to provide platform for the students to showcase their talent with a competitive spirit. The task was to present on a project or research topic that you're undertaking in a 10 minute window. This is followed by a short question period from a panel of judges. The event was successful enough to attract registration from out of the state. The organizing head of the competition was Dr Julie M David, CSI Local Chapter Coordinator. The programme was hosted by Aseel Abdulla, CSI Local Chapter Student Coordinator.

The competition commenced with the welcome address was delivered by Dr. Murugan. R, HoD, Department of Computer Applications and President of IIC. The college management extended their wishes to the programme. Out of 23 projects, 12 projects were shortlisted and presented and winners were awarded with certificate and cash prize.

## 58.Project Exhibition-The Covid Slayers

Department of Electronics in association with IIC organized a project exhibition on 29 th March 2021. 13 batches from PG and 13 batches from UG contributed to the exhibition. College Managing Committee Secretary Adv. A A Abul Hassan inaugurated the session in the presence of Principal Dr. Ajims P Mohammed, Vice Principal Dr. Manzur Ali P P,HOD Electronics Dr. Jasmine P M, Co-ordinators Mrs. Shareena E M, Mrs. Bhavya Kamal K Menon, other faculty members of the Department and students. The exhibition include many applications using robotics, IoT, Embedded System, UAV etc. Participants got an opportunity to showcase their ideas in various areas as a working model. Projects were evaluated by Amal Saroj and Ajith from BVoc IIA Department.'Autonomous UAV for Search and Rescue' and 'Intelligent Highway Hump' selected as the best projects.This projects are selected under A P J Abdul Kalam Chair for Research Innovation and Technology as innovative projects. The programme is informative and inspirational to the technology students and also provide a a new path to encourage innovative ideas among students.

## 59.From your Ph.D./ Masters thesis to a Start-Up

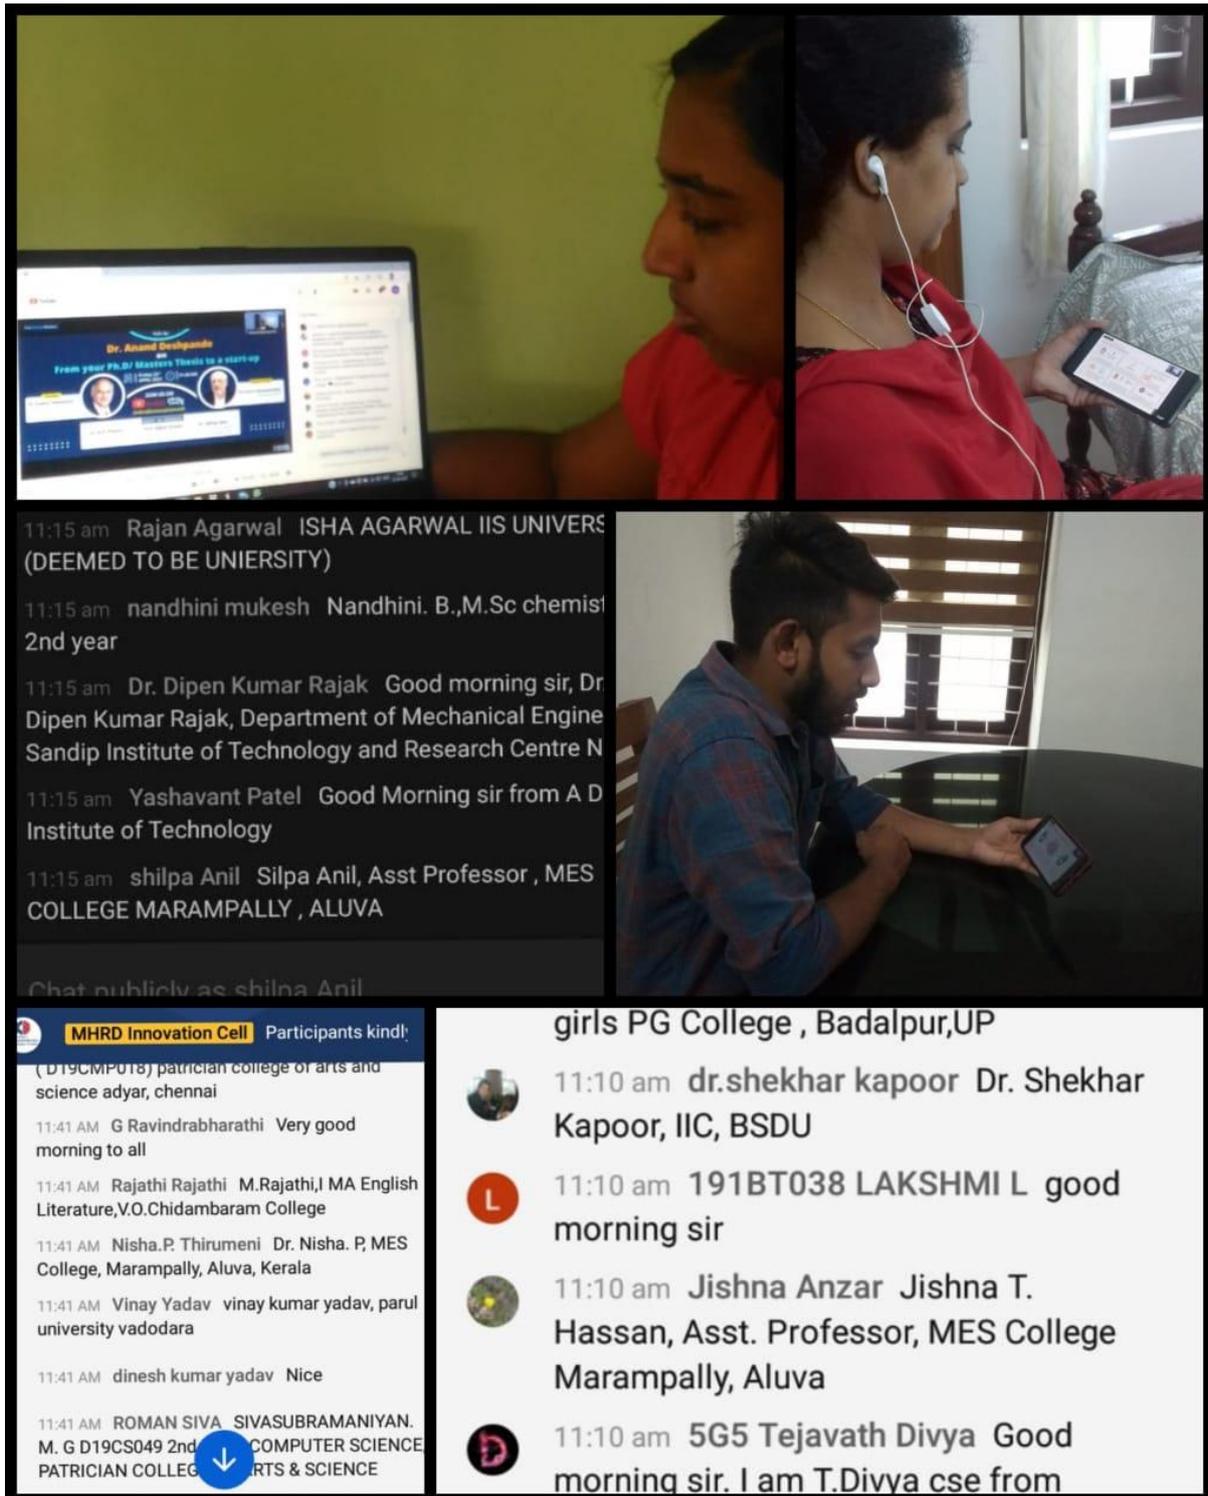

MIC has announced a talk by Dr. Anand Deshpande, Founder and CMD, Persistent Systems in the gracious presence of Hon'ble Chairman AICTE; VCM, AICTE; M. S. AICTE and CIO, MoE's Innovation Cell on topic “\*From your Ph.D./ Masters thesis to a Start-Up\*”.

Date: 23rd April 2021, 11AM.The session will be very useful for faculty members, Ph.D. & Masters Scholars. 3 students and 9 teachers participated in the session.

### 60.MIC organized (under MIC driven activity )

A session on " Why IP is important in academia? " by Dr. Abhay Jere, CIO MoE's Innovation Cell and Dr. Mohit Gambhir, Innovation Director MoE's Innovation Cell.16 students and 4 staff members attended the session.

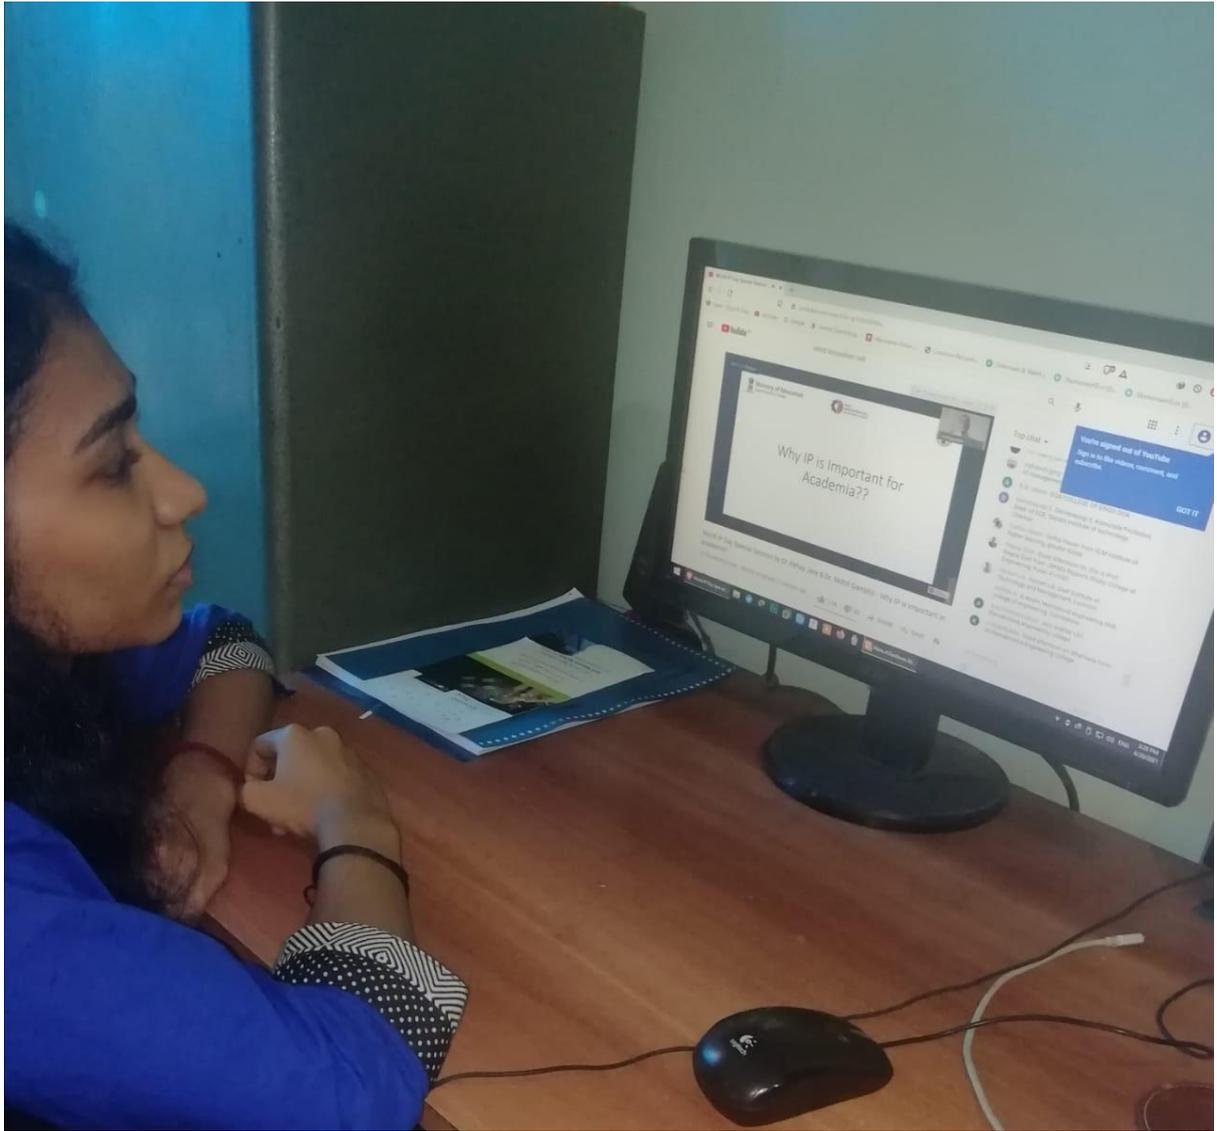

Date: 26th April 2021,Monday

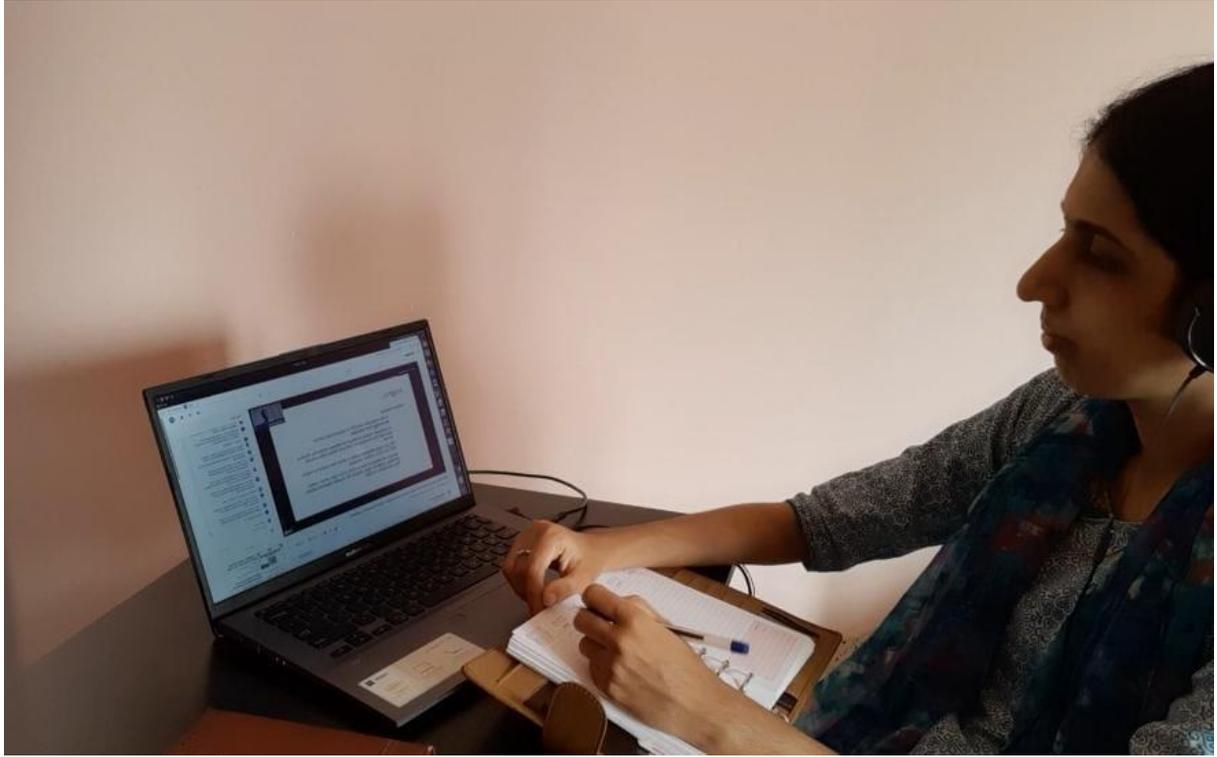

Time : 03:00pm - 04:00 pm

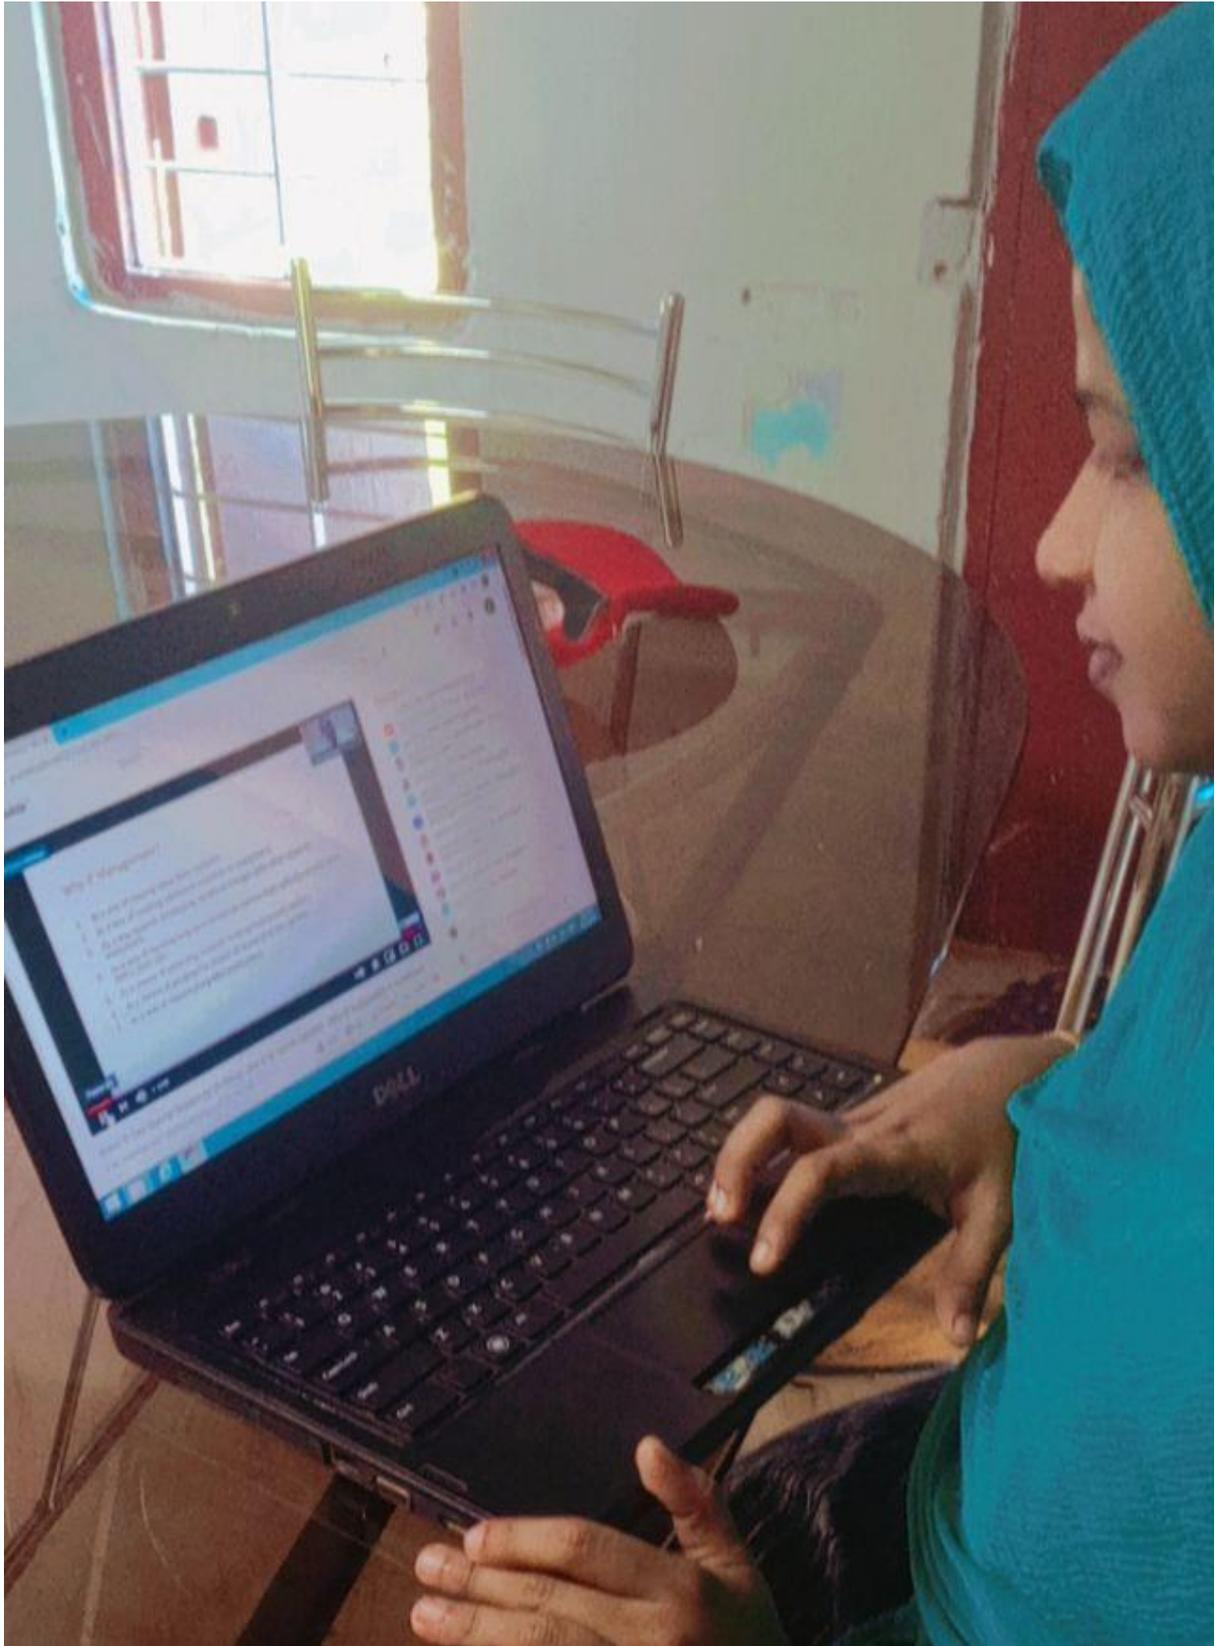

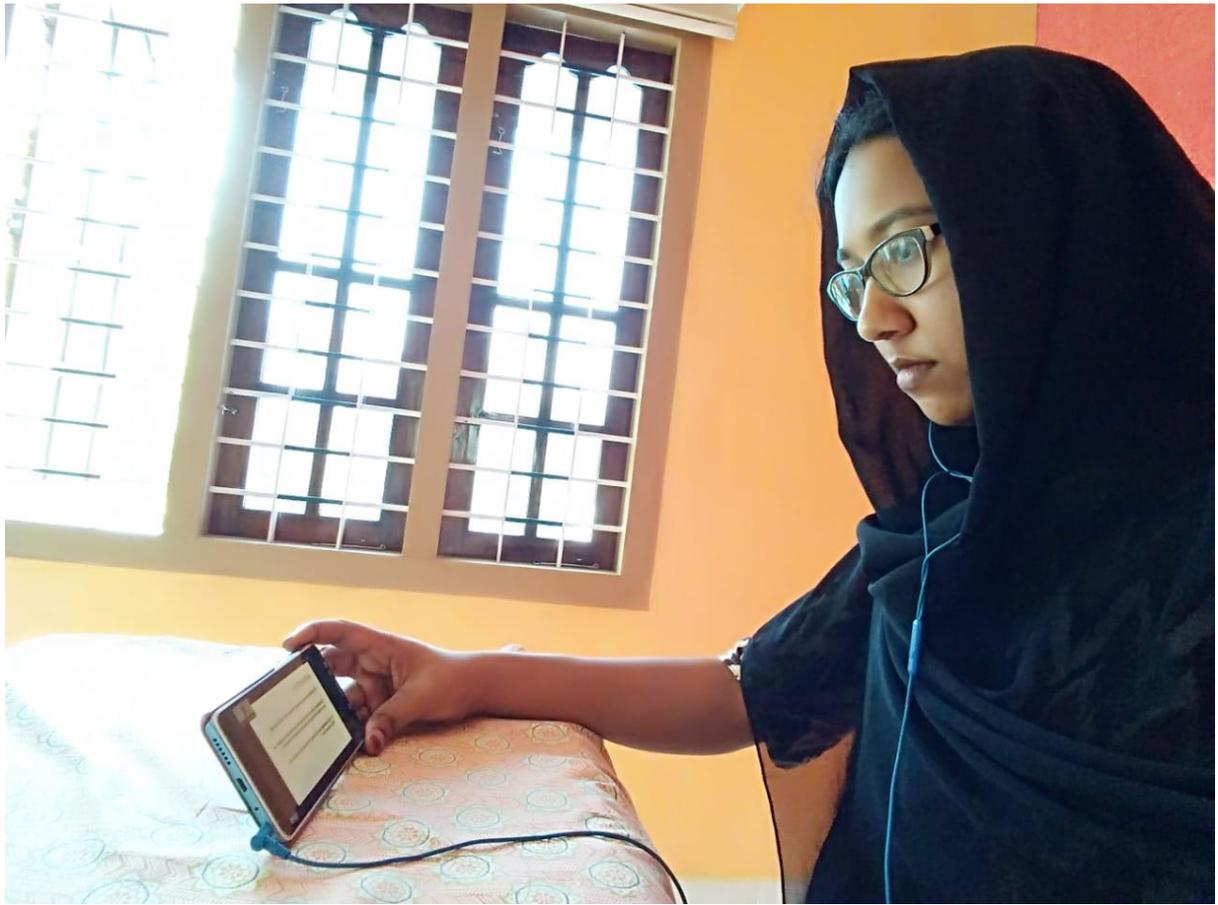

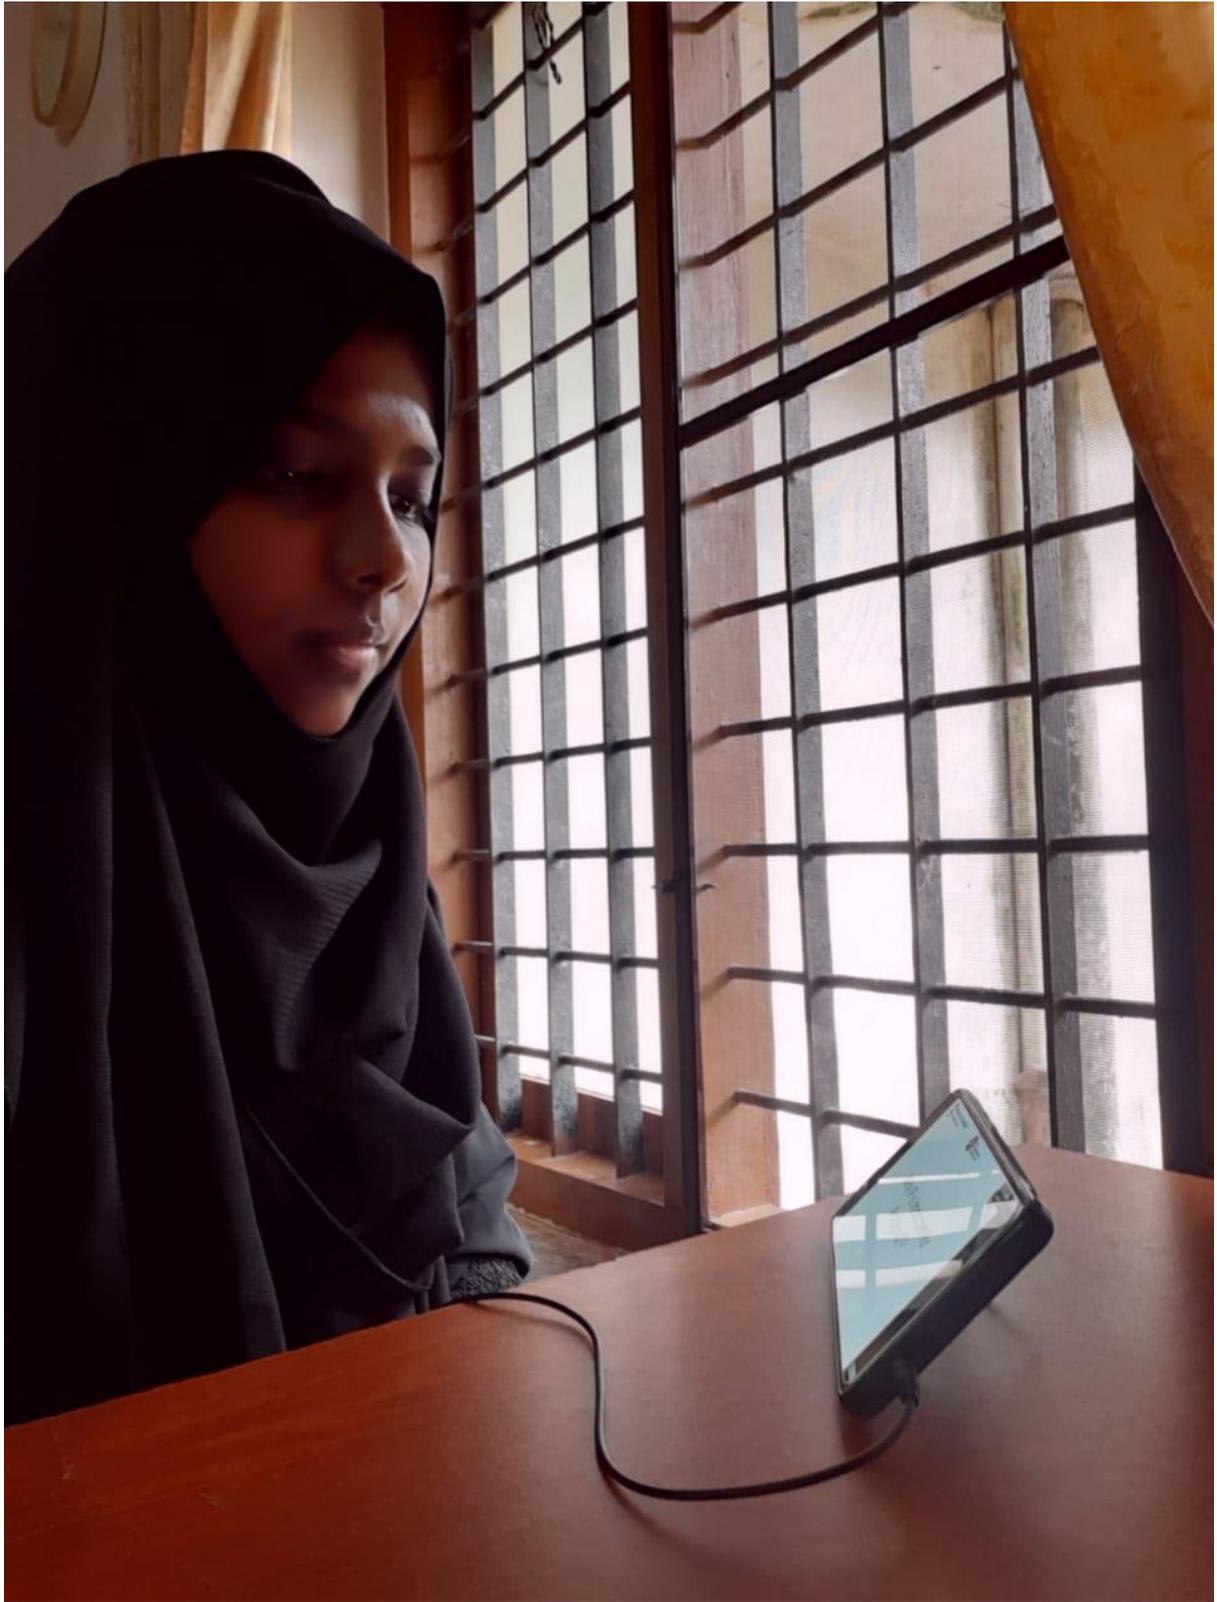

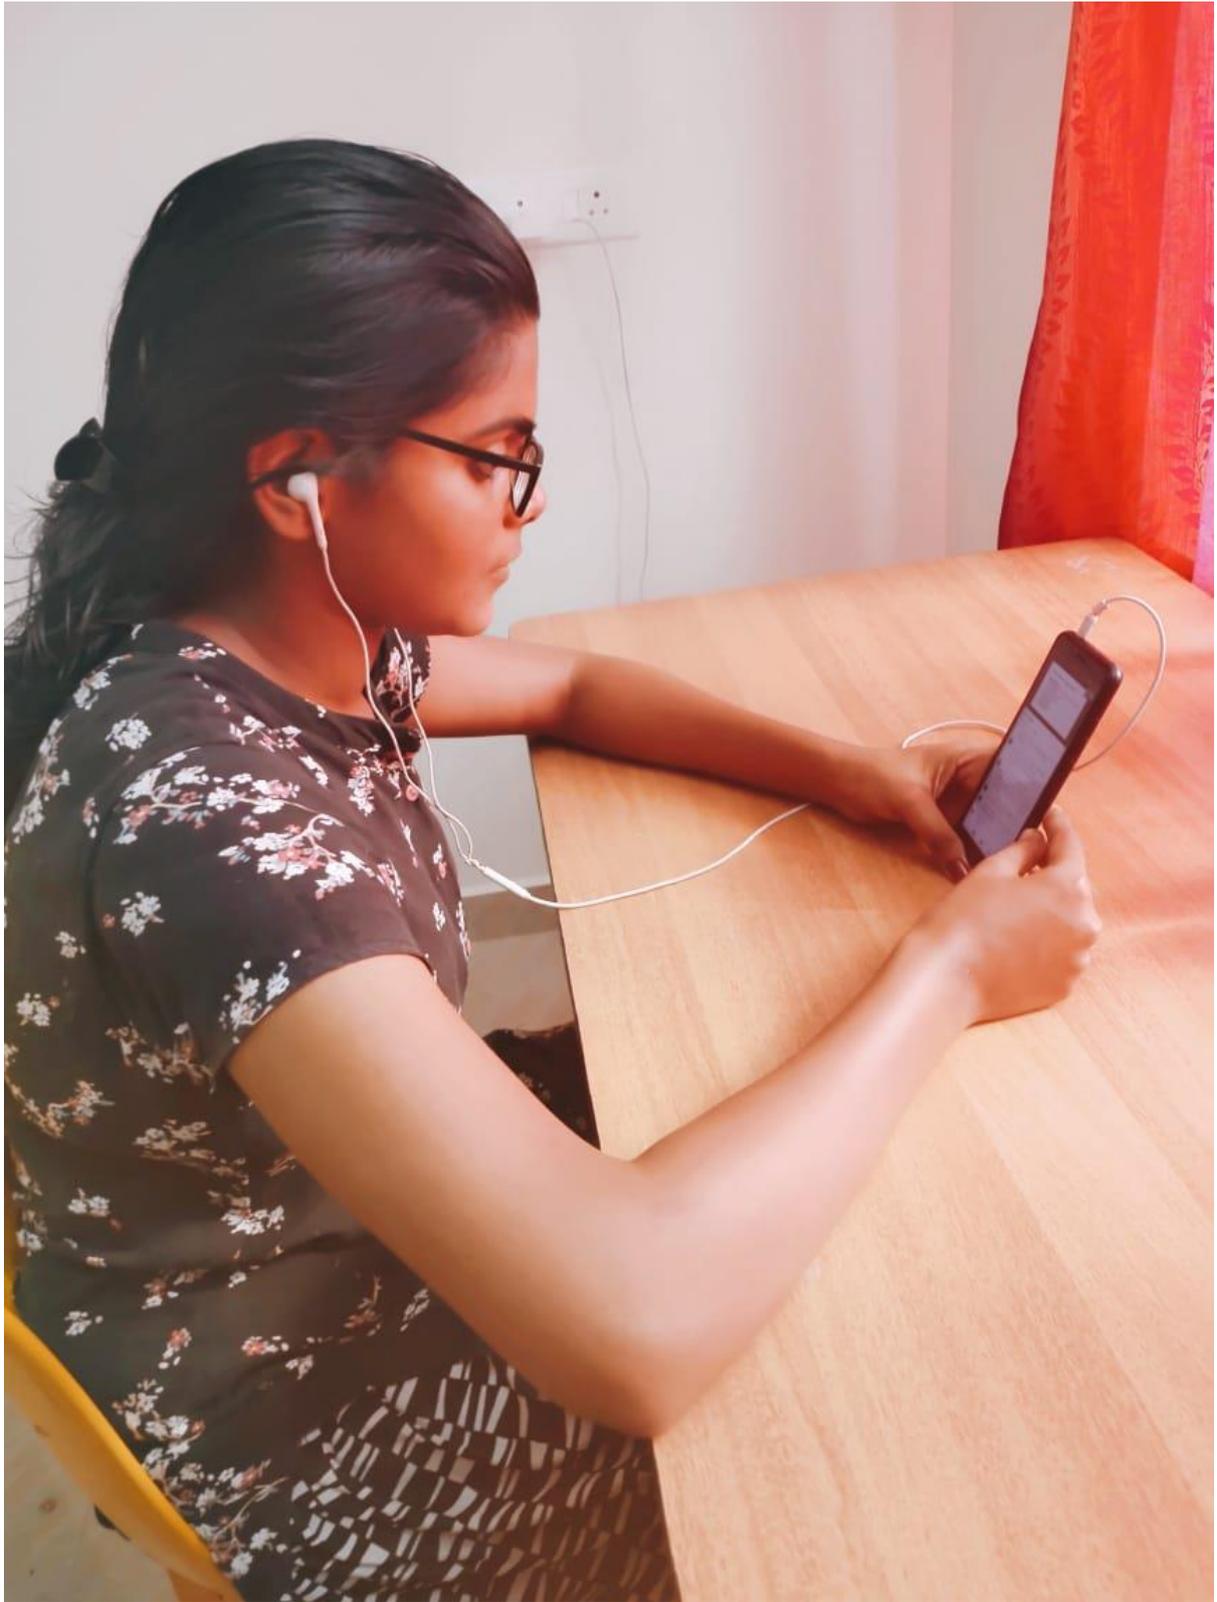

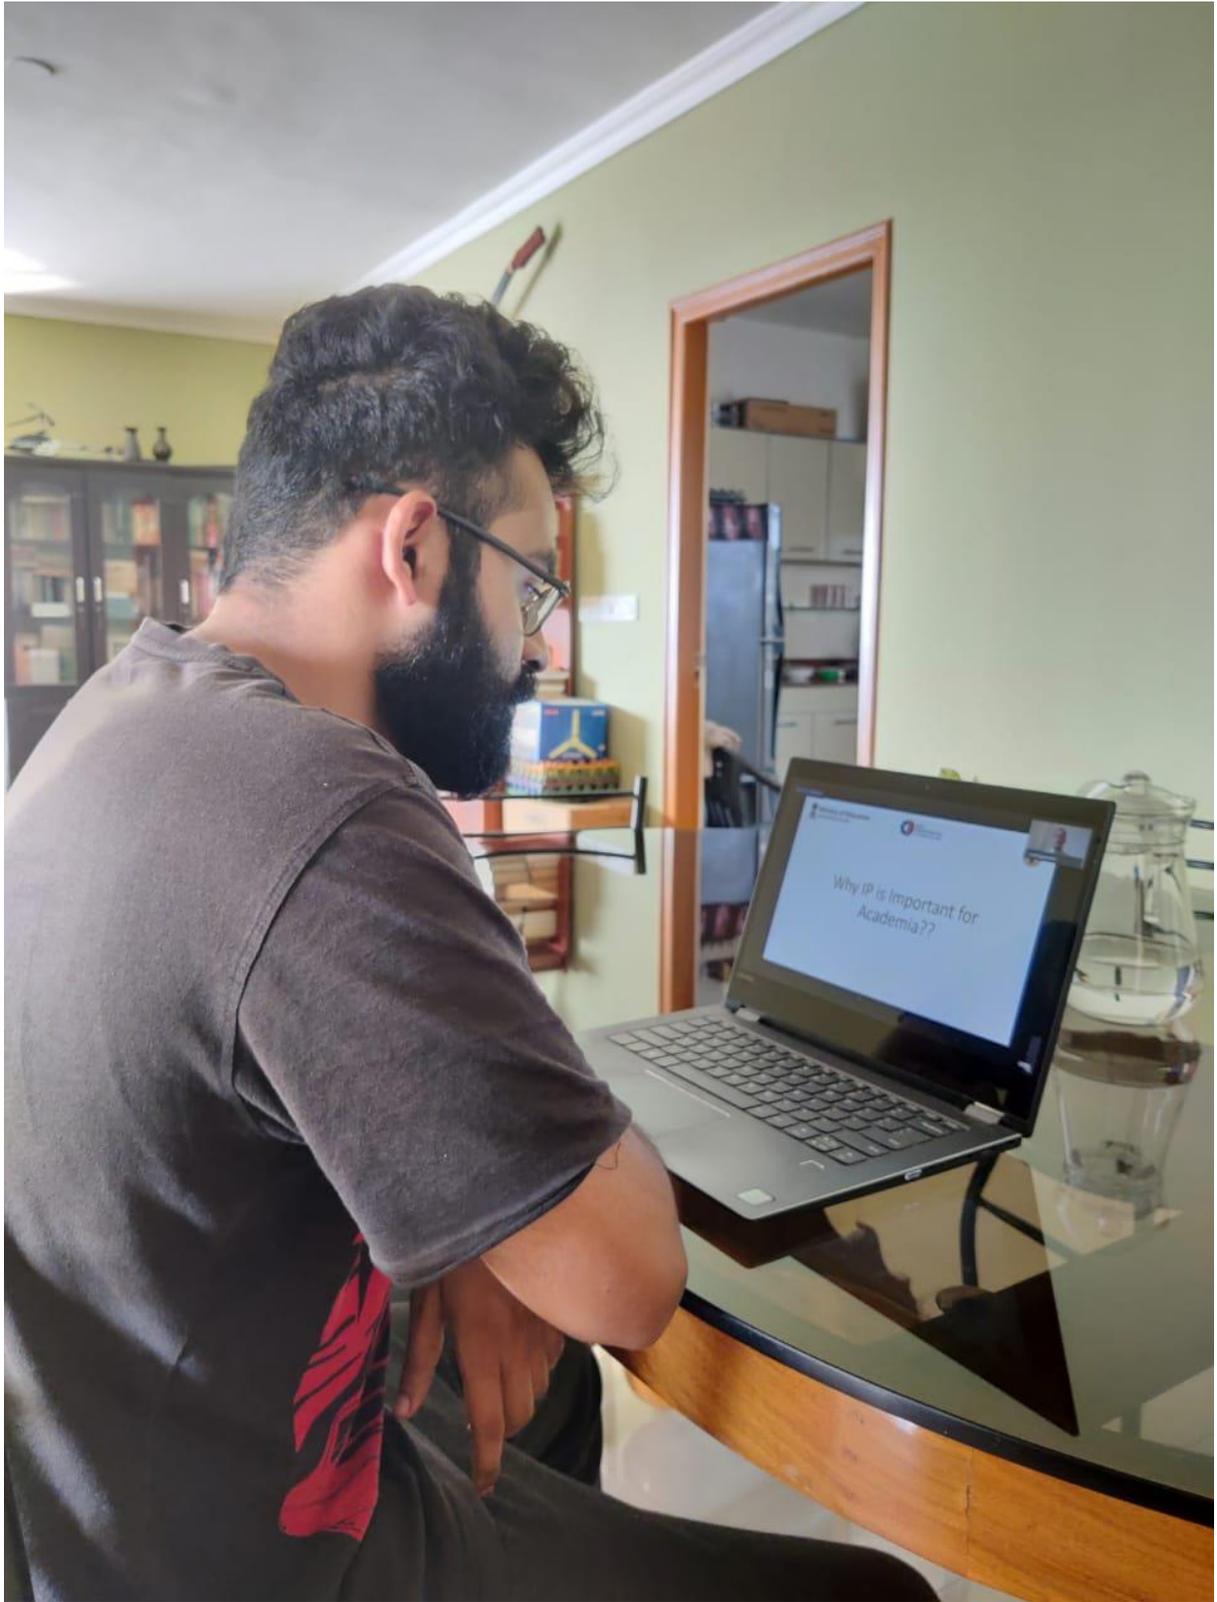

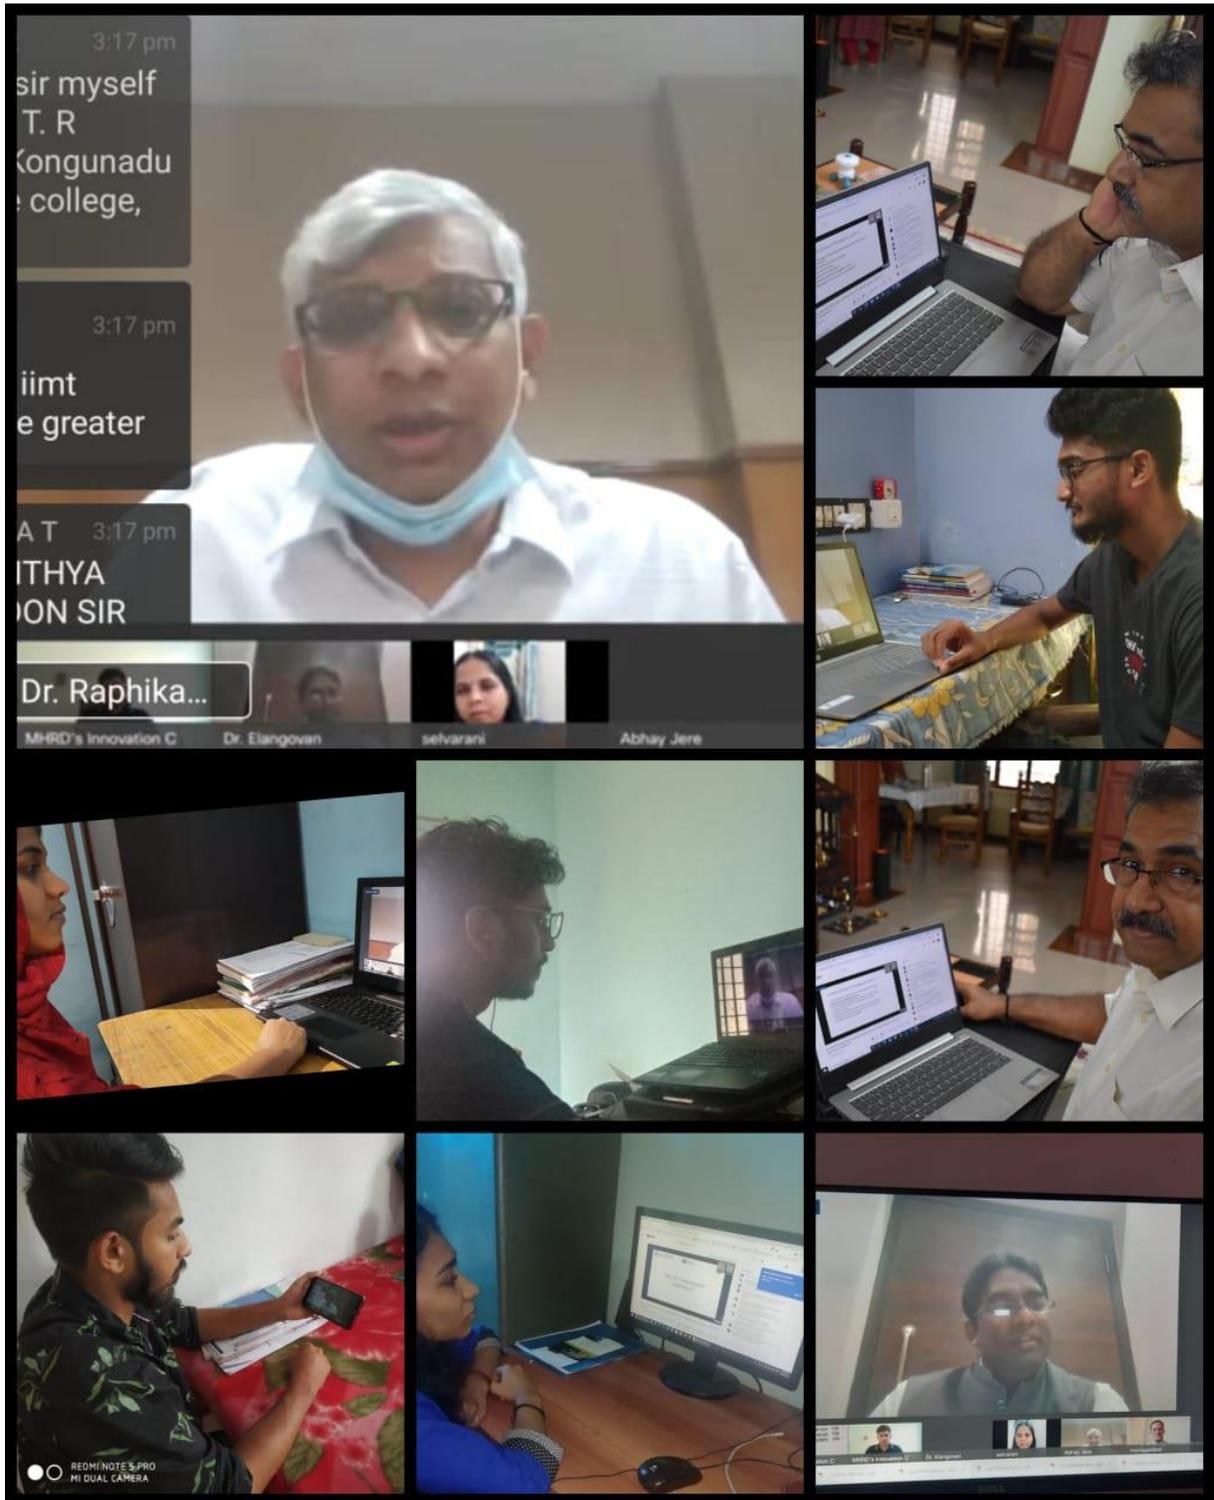

## 61.Minutes of IIC Meeting- Fourth Quarter

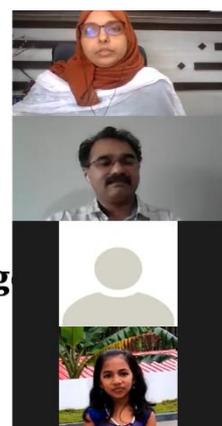

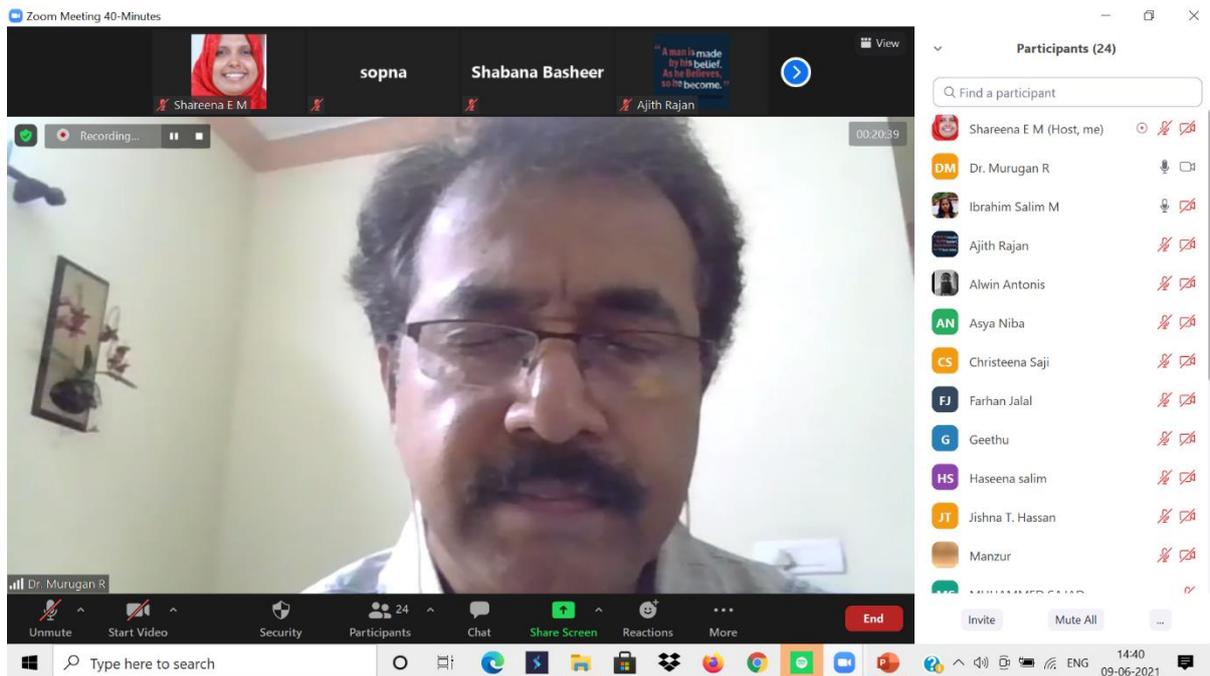

Date:09.06.2021

The Quarter-IV Institution's Innovation Council meeting was conducted on 9 June 2021 through online platform zoom. Dr. Murugan R delivered the welcome speech. Dr. Manzur

Ali P P presided the meeting Ms. Shareena E M presented the meeting agenda. IIC coordinators and student members from various departments participated in the discussion.

Agenda:

1. An overview of quarter III activities
2. Quarter IV activity planning
3. Collection of details regarding the pre-incubation centers
4. Coordination of the programme -Session on building innovation/Creating prototypes
5. Co-ordination of mentoring session by innovation ambassador

## Institution's Innovation Council, MES College Marampally-Quarter 4 Council Meeting

Decisions:

1. Decided to provide mentoring session by innovation ambassador to first year students.
2. Decided to conduct Session on building innovation/Creating prototypes on 12 June 2021.

3. Discussed the matters conveyed by MIC meeting conducted for Presidents and Conveners .
4. Discussed the matters regarding the data collection to upload in the IIC website.

## 62.Session on 'Building Innovation/ Creating Prototypes'

A webinar on 'Building Innovation/ Creating Prototypes' was conducted by Department of Electronics in association with Institution's innovation Council on 12<sup>th</sup> June 2021.

The programme started with a prayer. Dr. Jasmine P M, Head, Electronics welcomed the gathering. Dr. Manzur Ali P P, Principal delivered the Presidential address. Msc Shareena E M, MSc Electronics Coordinator and IIC Convener felicitated the gathering. Dr. Alwin Poullose handled the session. He is currently researcher, Kyungpook National University, Daegu, South Korea.

This session provided a meaningful overview of how to determine the target customer, customer needs, value proposition, product feature set etc. He also exemplified the building and creating of a prototype using a project.

## 64.Introduction to innovative ecosystem .

The Department of Commerce, Mes College Marampally organised a three day webinar series on introduction to innovative ecosystem on June 23, 24 & 25.

On first day, 23-06-2021. The Resource Person of the programme was Miss. Geethu Merin Antony, Innovation Ambassador, Bvoc Fashion Design and management, Mes College Marampally. The programme started with an opening remark delivered by Jasila AJ, student of S5 bcom Taxation. The session was officially welcomed by Dr Rafeekamol C A, HOD Commerce Department. First session was on IIC - Institute innovative council. She explained various benefits that a student can get by being a part of IIC and its procedures. The session ended with a vote of thanks delivered by Surya K Sajeev, Student of S5 bcom Tax.

On second day 24-06-21 The Resource person of the programme was sir. Muhammed Sajad K E, Bvoc software development and system administration, Mes College Marampally. The programme started with an opening remark delivered by Jasila AJ, student of S5 bcom Taxation. The session was officially welcomed by Miss. Ramla Beevi, Assistant professor, Commerce Department. Second session was on IEDC - Innovation and entrepreneurship development centre. He explained everything clearly by giving examples of day to day life and it was indeed beneficial. The session ended with a vote of thanks delivered by Simna Kassim, student of S2 bcom Taxation.

On third day 25-07-2021 the Resource Person of the programme was Dr. P M Raphika, Associate professor, Department of electronics, Mes College Marampally. The programme started with an opening remark delivered by Jasila AJ, student of S5 bcom Taxation. The session was officially welcomed by Sir. Praveen E P, Assistant professor, Commerce Department. Third session was on YUKTI-2.0 (Young India

combating COVID with Knowledge, Technology and Innovation).It was a beautiful interactive and motivational session.She made us clear how to spend our time during these covid days beneficially.The session ended with a vote of thanks delivered by Hiba P S student of S2 bcom Taxation.

The co-ordinators of this programmes are Rahmath Mk,Praveen E.P.,Ramla beevi A.P.

## **65.REPORT OF EMBLAZON 2021**

The Department of Electronics, MES College Marampally organized an online paper presentation competition 'EMBLAZON 2021', for PG students on 03.07.2021. The competition mainly focus on developing the research skills among the PG students. Total 65 members participated in the programme.Out of 25 students registered 13 students participated in the presentation. The paper presentation competition was based on the topic 'Technological Innovation in various categories / Business Idea/Product Development'. The programme was chaired by Mr. Jais John, Assistant Professor, Department of Electronics MES College Erumely and Mr. Al Ameen J, Assistant Professor, Department of Social Work, MES College Erumely The programme was coordinated by Ms Shareena E M ,PG Coordinator MSc Electronics and Ms Chika K Gangadharan , Assistant Professfor, MSc Electronics, MES College Marampally.

The programme started at 11 am on the platform Google meet. The students from various PG Department participated in this competition.

In the Inauguration session Ms Chika K Gangadharan, Coordinator of the programme welcomed the gathering. The programme was presided by Dr. Jasmine P M, HOD, Department of Electronics . The 'EMBLAZON 2021' was inaugurated by Dr Manzur Ali P P ,Principal ,MES College Marampally. Ms Shareena E M , MSc Coordinator felicitated and Ms Ann Mariya Philip presented the rules of the competition. Mr Shonson Santhosh , student coordinator delivered the vote thanks,

The first prize, was bagged by Mr Rishikesh Rishi , MSc Computer Science and Ms Hanna K H, MSc Physics got the second prize . The chairs of the programme Mr. Jais John and Mr. Al Ameen J congratulated the participants for their wonderful presentation and for the topic they choose. The programme was concluded with the vote of thanks by Ms Shareena E M , MSc Coordinator .

## 69.Hack Club MESM Launch Report

Date : 5th June 2021

Platform : Google Meet

No of Participants : 60

Conducted by Hack Club and Dept of Industrial Instrumentation and Automation

### Report

It was an auspicious moment for MES Marampally to join the global community of Hack Club. Hack Club is a global community of tech enthusiasts and change makers to come forward and learn and tackle problems together as a community.

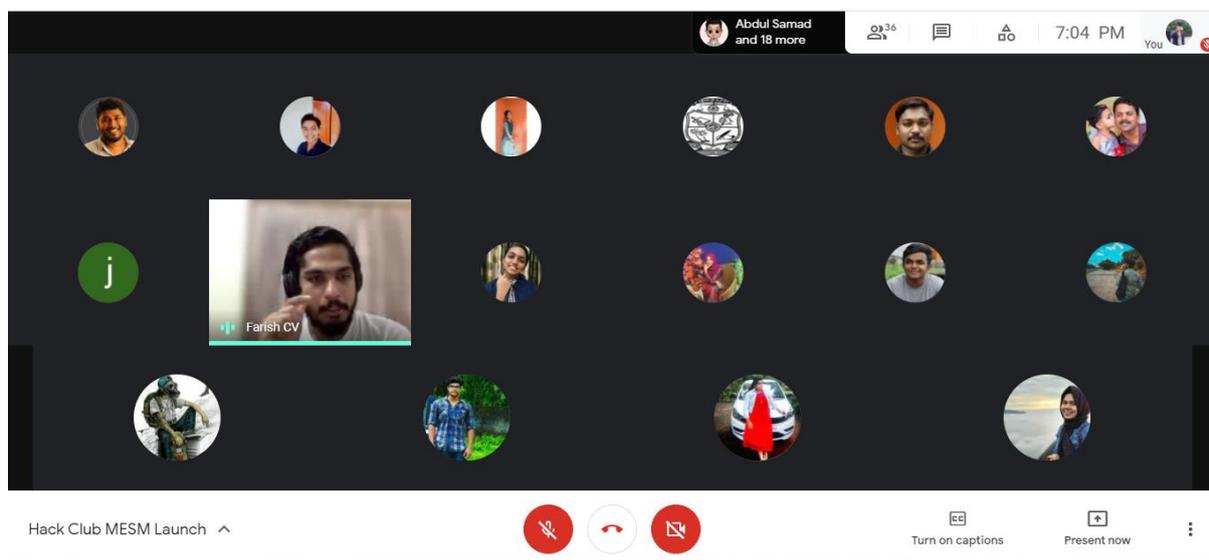

The official Hack Club MESM launch was held on **5th June 2021** via Google Meet.

The Hack Club MESM was officially launched by the Chief Guest of the event Mr **Deepu S Nath**, Managing Director FAYA, who is also an Executive Committee Member of GTECH and Convenor Academia and Technology Focus Group. He described about the importance of tech skills and its increasing relevance in all walks of life. As all industries are now evolving into a technology driven state new jobs will be focused on technology skills The keynote speaker of the program was Mr. **Farish C V** Program Manager at Google

Play Go India & SEA Games. He addressed the importance of such communities and community learning which is new learning method that's stands out from the conventional learning practices. The Presidential Address was delivered by our principal **Dr. Manzur Ali P P**. The Welcome address was delivered by Mr. Amal Saroj, Staff coordinator, Hack club MESM HOD Department of Industrial Instrumentation. **Dr Jasmin P M**, IQAC Coordinator ,HOD Department of Electronics and **Dr Umesh BP B**. Voc Nodal officer. Department of Bio science felicitated the function.

Vote of thanks was delivered by M S Mohammed, Hack Club Lead.

The session was very informative and insightful. The speakers discussed various topics like the future of technology and community learning and cleared doubts of the participants.

DATE: 16/8/2021  
TIME: 02:00 PM

Innovation and Entrepreneurship Development Cell of MES College Marampally, organized one month long “Meet the Entrepreneur “ talk series and Inaugurated this program on 02-08-2021 through online platform. This program was cherished with presence of 3 Chief guests. The session was Inaugurated by Mr. Sijo Kuruvila George, Executive Director, ADIF and founding CEO, Startup Village. The other two chief guests are Mr. Sarath V Raj, CEO and Executive Director, KIED and Mr. Prajul Vishnu K L, Technology fellow KSUM, IEDC.

The program started with a silent Prayer followed by welcome address by Dr. Sopna V Muhammed, Co-ordinator IEDC, MES College Marampally. Principal Dr. Manzur Ali P.P. Presided over this function and College Management Committee Secretary, Advocate Abul Hassan and IQAC Co-ordinator, Dr. Jasmine P M felicitated this function. Dr. Rafeeka Mol C A, IEDC coordinator proposed the vote of thanks and the session comes to an end at 12.00 noon. An overall 92 students participated this function and student co-ordinator, M.S Muhammed lead this programme from students part. This session proved

very informative and interactive for the IEDC students of MES College Marampally. This session is followed by many interactive sessions from various departments .
