ONLINE QUIZ PROGRAMME IN ASSOCIATION WITH DEPARTMENT OF FOREST AND WILDLIFE 03.10.2020

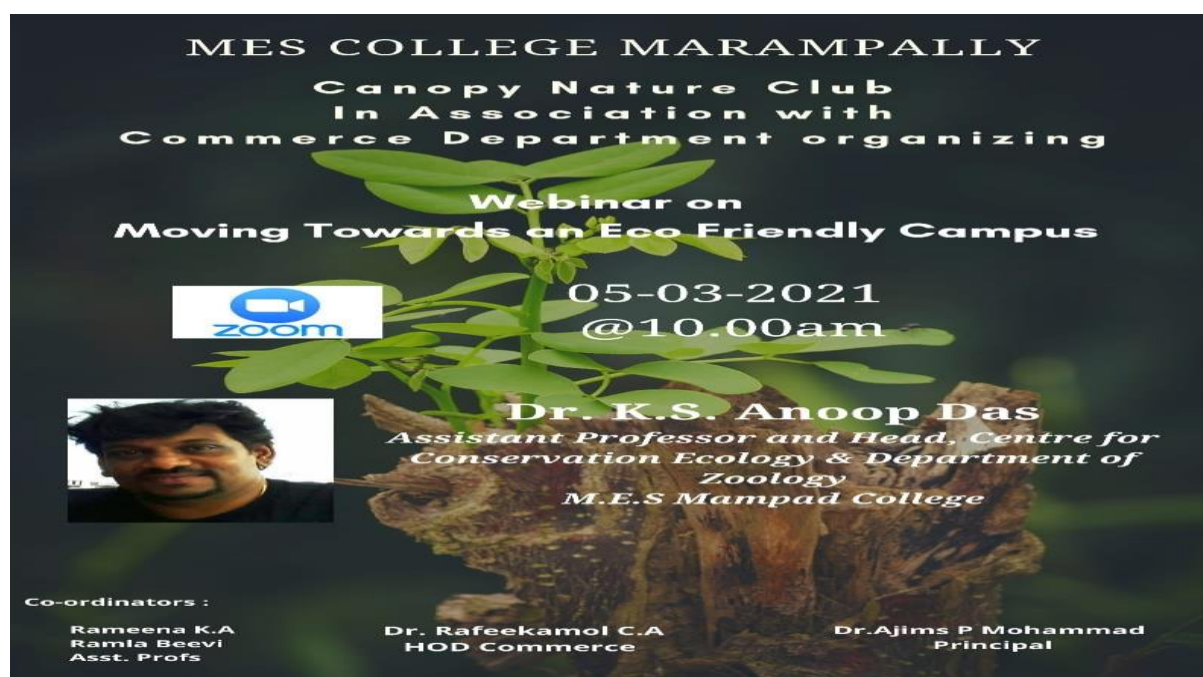

Canopy Nature Club organized an online quiz programme for the students of the MES College in association with the department of forest and wildlife, Kerala on 03.10.2020. The registration was made compulsory for all the participants. The last date of registration was 30.09.2020. the questions of the quiz programme were such that will assess the attitude of the participants towards environment. 134 members of Nature Club participated in the programme.

OXYGEN CUM BUTTERFLY PARK

Canopy Nature Club in association with MES Alumni group started to construct an oxygen cum butterfly park in the month of November. The same is under construction in front of the college but near the ground. The aim of this project is to provide fresh air and greeneries to the students and members of the college. The project is funded by the Alumni group of MES College Marampally. We are planning to give a fencing attached with it. Several plants which will attract butterflies is one of the attractions of the park.
