Event 5: Nature Awareness Programme-Webinar on 04-dec-2021, by Dr. Bharath Nair

Canopy Nature Club of MES College Marampally organized a nature awareness programme on the topic ‘Less noticed inhabitants of planet earth deserves consideration’ on 4th December 2021 @ 10.00am. Resource person of the programme was Dr. Bharath Nair, Assistant Plant Protection Officer, Regional plant quarantine station, Chennai. It was started by the welcome address by Smt. Shereena V.B, Canopy Nature club Co-ordinator followed by the presidential address by the honourable principal Dr. Manzur Ali P.P. The introduction of the speaker was done by Ms. Aleena Johnson, member of canopy nature club. A total of 55 people of the canopy nature club members participated in this programme. The class was very informative for the students. It was very interesting as well as interactive for them because students got great ideas about how they can conserve the natural habitat and organisms sustainably. The Resource person had a very good personality and he did his job perfectly and clearly. He not only explained the matter but shared his personal experience and incidents too. Bharath sir used some pictures and slides that all the students found interesting and explained the various varieties and species of mushrooms and other organisms. He explained all the benefits and usefulness of all those inhabitants and pointed out the ways for protecting and conserving them sustainably. He explained everything in our

mother tongue so that it made the class more understandable and convenient. After the session, the feedback was rendered by Adil Ahmed Raphy, Secretary of Canopy Nature Club and the vote of thanks was given by Fathima Nazrin K.A, Student representative of Canopy Nature Club.
