PLACEMENT AND CAREER GUIDANCE CELL

MES COLLEGE MARAMPALLY

Academic Year: 2020-21

In the academic year 2020-21, a series of seminars in online mode were conducted by the Placement Cell and Career Guidance Cell. Different webinars were organised for different subject stream students. A new project- MES finishing school- was initiated in this year. Students participated in various placement drives and six students have been placed in various companies. The detailed report of each programme is given.

Report of Webinar on “Career Opportunities in Electronics Industry”

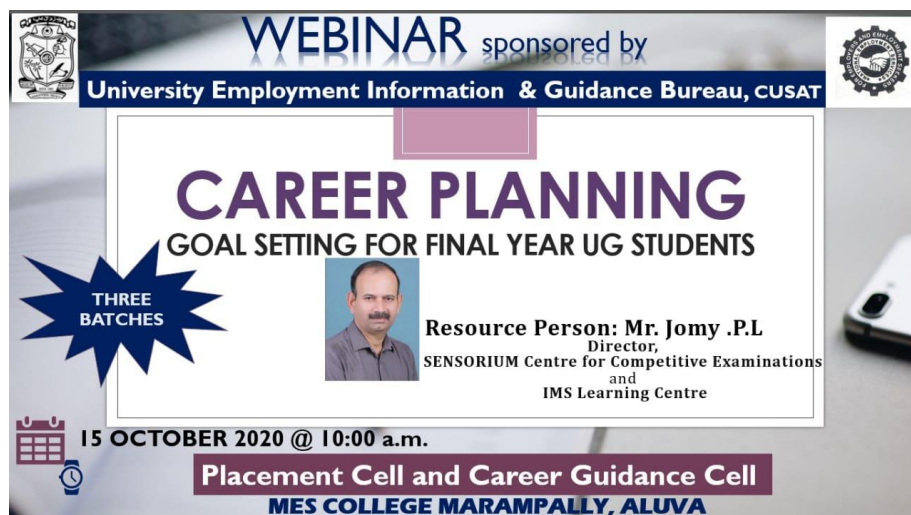

An international technical talk on “Career Opportunities in Electronic Industry” has been conducted on 25 July 2020. The talk is delivered by Ms. Malarvizhi M, Design Engineer, Infineon Technologies, United Kingdom. Final year BSc Electronics, final year BSc Physics and First and second year MSc Electronics and Physics students were the targeted audience.

The session started at 2.30pm. Dr. Farzana S Hussain, Co-ordinator, Placement Cell delivered the welcome speech. Dr. Ajims P Muhammed, Principal presided the inaugural session and felicitation was delivered by Dr. Manzur Ali P.P., Vice Principal. The resource person, Ms. Malarvizhi M, explained the opportunities in the Electronic Industry especially in the field of Semiconductor Electronics. She explained her experience as a professor as well as an industrialist. Students got an awareness about the different areas in which the students can get job related to electronics and the requirements to get a job. It was an interactive session and students were able to clear their doubts about the industrial environment and the job nature. 98 students attended the program. The webinar came to an end by 4.30pm with vote of thanks by Ms. Sheeba Varghese, Co-ordinator, Career Guidance Cell.

Report of webinar on “Career Planning”

In association with University Employment Information & Guidance Bureau, CUSAT, Placement Cell and Career Guidance Cell, MES College Marampally, organised a webinar series on “Career Planning – Goal Setting”, for the final year undergraduate students. Three different sessions were conducted for Science, Commerce and Arts stream students separately on 15, 18 and 20 October 2020 respectively. All sessions started at 10am and of 2 hrs. duration. Mr. Jomy P.L., Director Sensorium Centre for Competitive Examination was the resource person. The resource person explained the higher studies opportunities and prestigious institutions in India and abroad in the field of science, commerce and arts. 192 students from science stream, 165 students from commerce and 98 students from arts attended the programme.

The poster is for a webinar titled "CAREER PLANNING GOAL SETTING FOR FINAL YEAR UG STUDENTS". It is sponsored by the University Employment Information & Guidance Bureau, CUSAT. The resource person is Mr. Jomy .P.L., Director of the Sensorium Centre for Competitive Examinations and IMS Learning Centre. The webinar is held in three batches on 15 October 2020 at 10:00 a.m. The event is organized by the Placement Cell and Career Guidance Cell at MES College Marampally, Aluva. The poster features logos of CUSAT and MES College, a starburst graphic indicating "THREE BATCHES", and a photo of the resource person.

Report of webinar on “കരിയർ ജാലകം”

In association with University Employment Information and Guidance Bureau, Calicut University, Career Guidance and Placement Cell of MES College Marampally organized a one day webinar on “കരിയർ ജാലകം” for Second year degree students. The webinar started at 10:00 am on February 11th, 2021, with a welcome address by Ms. Indu Sussan Varghese, Joint Co-ordinator, Career Guidance Cell. The meeting was presided by the Principal Dr. Ajims P Muhammed. Ms. Sameera N V, Deputy Chief, UEIGB, Calicut University started the session with a beautiful story. The resource person Sri. Zakkaria M V handled the session interestingly and was a very fruitful session. Around 95 students participated in the webinar and they interacted with the resource person. Students enjoyed the session till the end and they expressed their gratitude through feed back.
