MES COLLEGE MARAMPALLY

MES College Marampally is a Government Aided College affiliated to Mahatma Gandhi University, Kottayam, established in the year 1995. The College has been re-credited by NAAC with A+ Grade (CGPA: 3.38). The campus is located in a rural area between the towns of Aluva and Perumbavoor, set in salubrious lush green surroundings in close vicinity of the river Periyar and proximate to Cochin International Airport.

The governance and the management of the college are anchored in the principles of Muslim Educational Society, Calicut which is one of the largest minority educational agencies in Kerala.
