

MES COLLEGE, MARAMPALLY

DEPARTMENT OF COMPUTER APPLICATIONS

COMPUTER LITERACY FORUM 2018-19

Computer Literacy means the knowledge and ability to utilize computers and related technologies efficiently, covering different skills ranging from the elementary use of computers to programming and advanced problem solving. Being an imperative requirement of students and teachers of any academic stream, MES College Marampally has formed a "Computer Literacy Forum" intended to expose the students and teachers to the world of computers.

COMPUTER LITERACY FORUM focuses on providing literacy in Computer and Internet Technologies. Department of Computer Applications emphasis to create Technologically Superior and Ethically Strong global manpower.

1. FACULTY DEVELOPMENT PROGRAM (06/12/18)

A faculty development program on the topic "COMPUTERISED ACCOUNTING SYSTEM" for HSST was organized to all commerce teachers of Ernakulam District. The programme started with a simple inauguration session. Coordinator of Computer Literacy Forum welcomed the gathering. The Principal presided the inaugural session. The inaugural address was given by the Manager. President and Vice president of Kerala Commerce Forum gave felicitation. With the vote of thanks by the joint coordinator the inaugural session came to an end.

The resource person of this Programme was Mr. Murugan R, Head, Department of Computer Applications. The FDP programme mainly focused on “**Introduction to UBUNTU, Database, Libre Office – Calc and GNU Khata**”. Higher Secondary Teachers from around 71 schools attended the programme enthusiastically. The FDP programme was very informative and all the participants requested to continue this class for one more day through their feedback. It was a full day programme. The FDP programme concluded by 5.00 pm.
