

REPORT ANTI RAGGING CELL

2019-2020

Introduction

Ragging is a practice similar to hazing in educational institutions. Ragging involves existing students baiting or bullying new students. This phenomenon is similar to Fraternities and sororities in North America. It often takes a malignant form wherein the newcomers may be subjected to psychological or physical torture. Ragging has ruined countless innocent lives and careers. In order to eradicate it, Hon'ble Supreme Court in Civil Appeal No. 887 of 2009, passed the judgement wherein guidelines were issued for setting up of a Central Crisis Hotline and Anti-Ragging database. In accordance with UGC guidelines each educational institution is directed to set up an anti ragging cell.
