

MES COLLEGE MARAMPALLY

REPORT OF CULTURAL FORUM: 2021-22

‘Sahapadikkoru Kaithangu’

As a part of the activities of cultural forum, we decided to collect some amount from students and teachers and distribute Relief Kits to the needy and poor students of our college. Due to the Covid-19 pandemic, it was very difficult to collect money. So we decided to collect money through Google-pay. For this we introduced a “20 Rupees challenge” and most of the classes actively participated in this challenge.

We conducted 5 meetings (April 26, May 6, 7, 8 & 10) through Google-meet to discuss the progress of the collection of funds. We are very happy to say that we collected Rs. 61, 250/- from students and teachers through G-pay. At the same time, collected the name and contact details of the most deserving students from various departments. Thus we collected 43 students' details from various departments.

As it was lockdown and containment zone, we couldn't give relief kit, but transferred Rs.1250/- to each of the 43 students' account, instead. Besides, Rs. 5000 & Rs. 3000 were transferred to the students of B Voc & Electronics for the treatment of their parents. Thank God we were able to collect such an amount and distribute it to the most deserving

students of our college. May the Almighty gave good rewards to those contributed the money and helped to distribute it to the needy.

Ramadan Talk

Cultural forum in association with the Department of Commerce, conducted an online Ramadan Talk on the topic, 'Ramadan Vida Parayumbol' on 10th May 2021. The resource person was Jb. SM Sainudheen, Lecturer, Azharul Uloom college of Linguistics and Islamic studies. His talk was about the importance of being for each other during the times of need especially during the pandemic. His talk was so simple and was filled with stories and verses from the Qur'an.
