

M E S COLLEGE MARAMPALLY
ENERGY AND ENVIRONMENT CONSERVATION CLUB
ANNUAL REPORT 2020-21

INTERNATIONAL DAY FOR THE PRESERVATION OF OZONE LAYER

On 16th August 2020, the Energy and Environmental Conservation Club in association with the department of Electronics and Physics conducted an online awareness webinar in connection with 'THE INTERNATIONAL DAY FOR THE PRESERVATION OF OZONE LAYER'. The programme was hosted by the student and staff coordinators of both departments. The entire function was arranged on Google meet platform and included a participation of around 100 members. Webinar started at 11 AM with prayer song by BSc. Electronics student Arathy J. Bibin Punnose Babu of 3rd year BSc. Physics welcomed the gathering.

The function was inaugurated by the college principal Dr. Ajims P Mohammed. Dr. Jasmine P M, Head of the Department of Electronics, Dr. Jincy Varghese, Head of the Department of Physics and Advt. Abul Hassan, the secretary of MES College Marampally addressed the gathering. Later Resource person Dr.K Soman, the president of Energy Conservation Society delivered an informative speech on '**Need of preservation of Ozone layer**'. Thus webinar was really special with knowledge, understanding, experience, information and energetic thoughts. Programme came to an end by 12 pm with an official vote of thanks from 2nd year Bsc. Electronics student Sidharth R Nair.

INTERNATIONAL SCIENCE DAY

“Science of today is the technology of tomorrow”

Every year on 10th November, people celebrate World Science Day for peace and development to highlight the important role of science in society and to remember the great scientists and philosophers and their innovative contribution to the world. Celebration of this day is to convey the importance of science and modern technology to the coming generation. The current year, the celebration was coordinated by EECC, the Departments of Electronics and the Department of Industrial Instrumentation and Automation in association with Institution Innovation Cell (IIC) of MES College Marampally. On behalf of this celebration we have conducted an idea presentation competition on the topic “Future Technology” and Poster Making competition of theme “Technology and Life” via online platform. The entries were invited through social media from 5th November 2020 to 9th November 2020. Students from various institutions actively participated in both competitions.

WHAT ARE WE
TALKING ABOUT ?
World Science Day for Peace and Development
highlights the important role of science in society
and the need to engage the wider public in debates
on emerging scientific issues. It also underlines the
importance and relevance of science in our daily
lives.

On 10th November 2020, we arranged prize distribution function along with a webinar on *“Transform Ideas into Reality”* at 2.00 PM. The resource person of the program was Prof. B

M Mustafa, retired Professor and Head of the Department of Physics, Government College Chittur. Students from both the departments actively participated in the session. It was indeed a very knowledgeable session in which the main motive was to spread a message about the importance of Science used in daily life.

The program was conducted through the zoom online platform. The session began with prayer song by Sreelekshmi P S of S3 MSc. Electronics. The welcome address was given by Dr. Jasmine P M, Head of the Department of Electronics. Principal Dr. Ajims P Mohammed delivered presidential address for the program. Advt. Abul Hassan, Secretary, College Management Committee and Vice Principal Dr. Manzurali P P delivered felicitation for the programme. Mr. Ajith Rajan and Smt. Shereena E M, IIC Coordinators was the competition analyzer and judge of the programs.

The first prize of idea presentation was secured by Sidharth R Nair (S4, Bsc Electronics) for an idea of Glasses for Visually Challenged Persons and second prize was won by (S2 Msc Electronics) for an idea of Green Gym. The first and second prize for poster making competition was bagged by Mohammed Rashid, M E S College Ponnani and Rashidha K M, S N M College Maliyankara respectively. The prize declaration was done by Advt. Abul Hassan, Secretary, College Management Committee, followed by the Vote of thanks given by Mr. Amal Saroj, Department Head, B.Voc Industrial Instrumentation and Automation. The program was coordinated by Dr. Raphika P M, Coordinator, EECC and Ajith Rajan, Assistant professor, Department of B.Voc Industrial Instrumentation and Automation.
