

MES COLLEGE MARAMPALLY, ALUVA
INNOVATION AND ENTREPRENEURSHIP DEVELOPMENT CELL
Activity Report: 2019-20

Brief Introduction about the Institution

MES College Marampally is an aided college affiliated to Mahatma Gandhi University started in the year 1995. The college is reaccredited by NAAC with A+ grade (score 3.38) and recognized by UGC. MES College Marampally is having a full-fledged ED Club, IEDC sponsored by Kerala Startup Mission and IIC under Ministry of Human Resource Development Cell. In our college Entrepreneurship Development Club is actively functioning for the last ten years. In those years college organized lots of programme for nurturing the budding entrepreneurs, self income generation methods for students as well as to the surrounding local community. Every year college organizes a large number of programs on entrepreneurship and innovations.

Our college Applied for IEDC funding to Kerala startup Mission in the Academic year 2017-18 and got sanctioned at the beginning of the academic year 2018-19. Being an arts and science college we have a lot of limitations to promote technology related students startups, still we are able to create a startup ecosystem in our colleges for the young and talented students of our college.
