

MES COLLEGE MARAMPALLY
IPR CELL
Activity Report 2020-21

Intellectual property is a category of property that includes intangible creations of the human intellect, and primarily encompasses copyrights, patents, and trademarks. It also includes other types of rights, such as trade secrets, publicity rights, moral rights, and rights against unfair competition. Artistic works like music and literature, as well as some discoveries, inventions, words, phrases, symbols, and designs can all be protected as intellectual property.

The IPR Cell of the college took keen interest in organizing seminars and workshops that need special emphasize to the need of the day. Other than the programmes organized under the roof of IPR cell, various departments coordinated events based on diversified strands of intellectual property rights.
