- Department of Physics, Department of Chemistry and IIC, MES College Marampally** jointly organized ‘Awareness Program on Intellectual Property Rights’ on 22<sup>nd</sup> March 2022 at 2 pm. This awareness program was supported by Intellectual Property India as a part of ‘National IP Awareness mission’.

Mrs. Gincy K Varghese, Head, Department of Physics welcomed the gathering. Dr. Jasmine P. M, Principal, MES College Marampally delivered the Presidential address. Mr. Anoop K Joy, Deputy Controller of Patents and Designs, Patents office Chennai took the session. Mr. Anoop has got more than 20 years of experience as Examiner of Patents. He is also trained at European and Australian Patents office.

First he gave a general overview about IPR, the various IPRs, the importance and significance about it; and then provided a well-defined illustration on patent, and its application procedures. According to him, as the name suggests IPR (Intellectual Property Rights) are the rights given to person over the creation of their minds. They are the legal rights that inventions resulting from intellectual activity in industrial, literary, scientific or artistic fields etc. More than a program; it went well in the form of a mutual discussion on the topic. Through his session, the participants we were also able to make out the different career opportunities in the field of IPR.

Ms. Hiba Nissar I MSc Physics student proposed the vote of thanks. The session was really informative and knowledgeable under the guidance of the coordinators Dr Nidhin Chandran, HOD of Chemistry and Mrs. Gincy K Varghese, Assistant Professor, Department of Physics.
