

# MES COLLEGE MARAMPALLY CANOPY NATURE CLUB ANNUAL REPORT 2019-2020

## 1. World Environment Day Celebrations | 05.06.2019

As part of World Environment Day celebrations, the Nature Club of MES College distributed small saplings to the students and teachers of the college. The programme was inaugurated by the Secretary and Correspondent of college management committee Adv. Abdul Hassan. The same was presided over by the Principal of the college Dr. A Biju. Smt. Rameena K.A., Coordinator of the club felicitated the function. All the members of the nature club and National Service Scheme received the saplings. The teachers of the college also have taken great initiative for the programme. The Protection and sustainable growth of the environment and nature was the message of the programme.

Inauguration by Secretary of the college Adv. Abul Hassan

Distributing samplings among the students

## 2. Nature Camp | 02.10.2019

A visit to Athirappilly was organized by the Canopy Nature Club of MES College Marampally on 2<sup>nd</sup> October 2019 as part of the Gandhi Jayanthi celebrations. Athirappilly is a beautiful and breathtaking place. The main intention of our visit was to promote awareness to conserve nature and sustain it for future generations. There was a total of 49 students and six staff present on the trip.

Our journey started at 7 am on 2<sup>nd</sup> October 2019 to Athirappilly- Vazhachal. The programme was inaugurated by Mr. Aru Varghese, the famous film actor. We were accompanied by many forest officials. We walked for about 4 km. as part of our 'Environment Protection Message rally' from Athirappilly to Vazhachal. Once we finished our walk, we reached the Department of Forest and they provided a motivation class for the students. The same delivered was by Sri Praveen Kumar, Forest Officer. A quiz programme was also conducted for the students.

Late wards in the evening we got to explore the place. The students were allowed to visit the eyetneries and waterfalls. It was an illuminating view. The students enjoyed the camp well. Throughout the visit, they got awareness about conserving our mother Earth. The interaction with the forest officials was an informative segment. It was a unique example of 'EDUTAINMENT' ie, Education and Environment.
