**Annual Report: 2020-21**

The pandemic, Corona led to the downfall of many of our previously thought decisions. Though in its midst, the money required for the university required Photostat machine was procured and wading through the difficult times the executive members stood their stand. During the years, 2019-20 and 2020-21, as a proud job well-done, the work of the front office was completed.

On the transfer of the former principal Dr. A Biju, the PTA organized a grand sent off and respectively welcomed the new principal Dr. Ajims P Mohammed.

Due to the pertinence of the difficult times, a new general body meeting was found hard to be formed. Hence the previous team continued. The PTA under Dr. Ajims P Mohammed, celebrated Merit Day on March 31, 2021.
