MES COLLEGE MARAMPALLY

Excel, Lead, Inspire

MES College Marampally, established in 1995, is a distinguished institution in the educational landscape. Affiliated with Mahatma Gandhi University, Kottayam, and founded on the principles of the Muslim Educational Society (Regd.), Calicut, the College achieved re-accreditation from NAAC with an outstanding A+ Grade (CGPA: 3.39) in 2024. Located in a serene rural setting between Aluva and Perumbavoor, its charming campus is surrounded by lush greenery, near the Periyar River, and conveniently close to the Cochin International Airport.

The college is a leader in innovation in higher education, offering a variety of vocational and technical programmes to meet the changing demands of the job market. The introduction of UGC launched B.Voc. programmes underscores its commitment to promoting higher and technical education.

MES College is dedicated to equity and inclusion, with a diverse enrollment of girls and minority students. The college aims to elevate life standards, particularly for minorities and backward classes, by providing quality education. It offers a comprehensive array of programmes, including 17 undergraduate programmes, 9 postgraduate programmes, an Integrated M.Sc. programme, and two Ph.D. programmes, showcasing its commitment to academic excellence and research.

The institution's leadership is characterized by a strong commitment and active stakeholder participation. The institution's physical infrastructure and human resources are designed to create an ICT-friendly teaching and learning environment, fostering an entrepreneurial ecosystem.

Collaborative efforts involving the Parent-Teacher Association, Alumni and various clubs contribute to developing both academic prowess and humanistic values among students. The institution places significant emphasis on integrating research with academic activities. In essence, MES College Marampally is not just an educational institution; it is a dynamic hub fostering holistic development and community engagement.
